Guidelines for Conducting Examination

1. Examination will be in online Open Book system mode
2. Google Classroom will be used for conducting theory examinations
3. Every student is permitted to use only 12 number of A4 size pages (one sided) as answer scripts for each paper. All pages should be numbered properly. Besides, paper code, Exam roll number and date of examination should be written clearly in the first pages. Type written answer scripts will be rejected.
4. Students may log-into a Google classroom arranged for conducting examinations at 10.40 AM on the days specified in the examination routine and question paper will be uploaded at 10.55 AM.
5. Full marks for each question paper will be 70. The question paper will have two parts: a) traditional type and b) innovative/critical type. The total marks of the paper will be equally divided between the two parts.
6. The handwritten answer scripts should be scanned by using adobe scan App or similar mobile Apps, compiled together into a single PDF file and finally uploaded to Google classroom of the examination within 2.30 PM.
7. Hardcopy submission will not be accepted under any circumstances.
8. Practical paper will be evaluated based on comprehensive viva-voce to be conducted through Google meet.
