In order to provide various academic needs of the students, university is charging certain amount of fee and students are paying this through SBI Collect/ GU Portal etc. It is noticed that many students/ applicants pay the prescribed fee first without confirming their academic needs and then apply for refund which causes administrative inconvenience. It is hereby informed to all concerned to confirm their academic needs first and then pay fee only after confirming their requirement from Department/ Branch as the case may be. Fee once paid may not be refunded.
