

HANDS ON TRAINING ON HISTOCHEMISTRY AND IMMUNOHISTOCHEMISTRY

3rd March- 8th March, 2025,

Organized by: Cell & Molecular Biology Laboratory

Dept of Zoology, Gauhati University, Guwahati: 781014, Assam

The workshop will explore essential techniques with hands on session and expert guidance to enhance histopathological analysis.

Histochemistry: Basic Principle, Histochemical Staining of Glycogen, DNA, Hemosiderin, Collagen and Mucin, Observation and Analysis.

Immunohistochemistry: Basic Principle, Immuno-histochemical observation & analysis of DNA Fragmentation, cellular proliferation and Inflammatory markers.
