VENUE

Gauhati University, established in 1948, is the oldest and the largest state university of North East India, and has evolved as a premier institute for teaching, learning and research. The University has over 45 postgraduate departments and more than 350 affiliated colleges and institutes. Gauhati University has been recognized amongst the top-grade universities in the country (39th in NIRF ranking, 2018) and is accredited with A-Grade by the National Assessment and Accreditation Council (NAAC).

Established in 1955, the Department of Chemistry is the first post-graduate chemistry department of North East India. The department has a vibrant teaching and research environment. With financial assistance from DST (FIST Level-II) and UGC (DSA-II under SAP), the Department has grown significantly in terms of research infrastructure, encompassing several frontier areas of chemistry. The faculty members have also generated research funding at the individual level from UGC, DST, DAE, DBT, BRNS, CSIR and ASTEM, contributing immensely towards improving the R&D activities in this region.
