NOTICE

18th January 2019

Due to some technical problem the DHR sponsored training programme in Molecular Biology/Molecular Diagnostics has been postponed from 21st January 2019 to 28th January 2019. We understand the trouble cause to the applicants because of this sudden change. I once again apologise on behalf of our whole team for this sudden change.

To
Yogendra Prakash Singh,
Programme Manager-Healthcare,
NER-BPMC, Department of Biotechnology,
A-258, 1st Floor, Defence Colony, New Delhi-110024

Dear Yogender,

Kindly find attached herewith the following documents

- UC and SE for the period of 01-04-2015 to 31-03-2016
- UC and SE for the period of 01-04-2016 to 29-05-2016
- Manpower Certificate for the period of 01-04-2015 to 31-03-2016
- Manpower Certificate for the period of 01-04-2016 to 29-05-2016
- Consolidated SE for the entire period starting from 30-11-2012 to 29-05-2016
- Details of assets (list of equipment purchased) as per approved sanction indicating the item cost approved and the actual procurement cost.

As mentioned in the Manpower and staff detail for 01-4-2016 to 29-05-2016 due to lack of fund we could not provide the stipend of SRF for one month and Project Assistant for 2 months. The same is requested to release from DBT for the final settlements.

The Chairman

Institutional Ethical Committee

Gauhati University, Guwahati

Subject: Ethical approval for the PhD study entitled "Association of Genetic and Immunological markers for prediction of treatment response in Hepatitis C Virus Infection from North East India" under my supervision.

Dear Sir

I would like to humbly request you to kindly consider the PhD topic entitled "Association of Genetic and Immunological markers for prediction of treatment response in Hepatitis C Virus Infection from North East India" for ethical clearance by the esteemed committee, which is being pursued by my research scholar Mr. Prajjalendra Kumar Barooah at Department of Bioengineering and Technology. The study is a continuation and a part of a previously conducted project entitled "**Polymorphism of IL28B gene and its association with response to treatment with Peg-Interferon alpha-2a/2b and Ribavirin combination in chronic hepatitis C virus infection from North Eastern India**" which was already granted ethical clearance vide Letter no. GU/ACA/Ethics/2012/1564. All samples used in the current study were stored samples that had been collected under the above mentioned ethical clearance.

Thanking You

Subhash Medhi

Subject: Request for urgent repairing works of Biological Science laboratory situated at old B.T Hostel campus.

Sir,

With reference to the subject cited above this is to bring to your kind notice that a ICMR Task force project entitled ““A Systematic assessment of acute viral hepatitis and chronic liver diseases in Northeast India with special reference to strengthening of laboratories in the region” has identified our laboratory as one of the Regional Referral Centre along with Regional Medical Research Centre (ICMR) Dibrugarh for performing the molecular biology works of viral hepatitis samples from the North eastern states. As the biological science laboratory situated at B.T Hostel, in which molecular works pertaining to Virology is done which need urgent repairing work before the start of the project as mentioned below.

1. Repairing of floor with tiles.
2. Repairing of wall with tiles.
3. Repairing of doors and windows
4. Replacement of wooden frame severely damaged by termites.
5. Repairing of false ceiling.
6. Aluminium partition
7. Painting of laboratory along with steel almirah.

Looking forward to you for your kind and immediate action.

ADVERTISEMENT NOTICE

Application in plain paper are invited from eligible candidates for the post of (i) **Junior research fellow (JRF)** and (ii) **Project Assistant** in a DBT project entitled “Polymorphism of IL28B gene and its association with response to treatment with Peg-Interferon alpha-2a/2b and Ribavirin combination in chronic hepatitis C virus infection from North Eastern India”, under the supervision of **Dr. Subhash Medhi, Assistant Professor and P.I, Department of Biological Science, Gauhati University, Guwahati-781014** for a period of one year or till completion of the project.

Post I: Junior research fellow (JRF) – One position

Eligibility: M.Sc/M.Tech/B.Tech in Biotechnology/ M.B.B.S/B.Pharm with minimum 60% marks.

Desirable: (i) Experience in Medical and Molecular Biology/Molecular Virology/Oncology. Candidates with prior experience in animal cell culture, cloning, protein purification are highly encouraged to apply

(ii) NET/GATE qualified candidates may be preferred.

Stipend: @ Rs. 16,000/- + 20% HRA for NET/GATE/BET/BINC Qualified otherwise @ Rs. 12,000/- + 20% HRA as per DBT norms for JRF

Post I: Project Assistant – One position

Eligibility: MSc in Lifescience/Bioinformatics.

Desirable: Experience in Medical and Molecular Biology

Stipend: Rs.8000 p.m (fixed)

Application to be sent to: Dr. Subhash Medhi, Assistant Professor, Department of Biological Science, Gauhati University, Guwahati, Assam-781014 on or before 25th January 2013.

Only shortlisted candidates will be called for interview. No TA/DA will be paid to attend the interview. The date of interview will be notified by email or by phone.

NON-AVAILABILITY CERTIFICATE FOR EQUIPMENT

Title of the Project: Human Resource Development for Health Research in area of Molecular Biology/Molecular Diagnostics

This is to certify that the equipment:

1. 10 KVa power back up system for 3 hours
2. Flow cytometry laser replacement
3. Rotary shaker

Are not available in the Institution and the following equipments

1. Pipette sets (0.1-2.5ul, 2-20ul, 20-200ul, 100-1000ul)
2. pH meter
3. Weighing balance

Are available with the Institution but these cannot be spared for this project.
