JRF AWARD LETTER

Dated: 12-03-2022

NTA Ref. No.: 210510432746

Roll No.: AM05002127

PAWAN DAIMARY

Son/Daughter of JONAI DAIMARY

and SUKLESWAR DAIMARY

Subject: Assamese

Dear Candidate,

I am pleased to inform you that you have qualified for Junior Research Fellowship (JRF) and eligibility for Assistant Professor in the National Eligibility Test (UGC-NET) conducted for December 2020 and June 2021 (merged session). The tenure of fellowship is five years and it commences from the date of declaration of NET result, i.e., 19-02-2022 (or) from the date of admission under M.Phil./Ph.D. (or) from the date of joining M.Phil./Ph.D. programme, whichever is later. The summary of financial assistance offered under the scheme is mentioned at Annexure I available on www.ugc.ac.in/netjrf

The Awardee is required to get admission and registration for regular and full time M.Phil./Ph.D. course in a University/Institution/College recognized by UGC at the first available opportunity but not later than three years from the date of issue of this award letter. University/Institution/College is requested to process for award of JRF based on this letter, in accordance with the procedure available on www.ugc.ac.in/netjrf.

It may be noted that the fellowship amount shall be disbursed through Canara Bank to bank account of the Awardee (any bank) directly. UGC has developed a dedicated web portal (<https://scholarship.canarabank.in>) for capturing data of the awardee. The Universities/Colleges/Institutions will link the data of the awardee with the master data on the UGC web portal with unique Maker/Checker Ids which have already been provided to them along with the passwords. The Universities/Colleges/Institutions shall update the information in the master data (regarding monthly payment confirmation, HRA, up-gradation, resignation etc.) of the beneficiaries on monthly basis. Based on the data updated on UGC web portal by the concerned Universities/Colleges/Institutions, the payment of the fellowship will be made to the beneficiaries (Detailed process available at https://www.ugc.ac.in/ugc_notices.aspx?id=2153).

It may also be noted that UGC has proposed to link "AADHAAR" with bank account of students so that there can be direct cash transfer and effective disbursement of fellowship into bank account of the student. In this regard, Secretary, UGC has already requested the universities to help students in Aadhaar enrolment vide D.O. No. F.14-34/2011 (CPP-II) dated 11.01.2013.

It may please be noted that the award is liable to be cancelled by Implementing/Awarding agency and it will also attract legal action against the Awardee in the following cases:

- If the awardee is found to be ineligible to receive the award at any point during the entire duration of fellowship,
- Misconduct of Awardee,
- Unsatisfactory progress of research work,
- Failure in any examination related to M.Phil./Ph.D.,
- In case any other fellowship is drawn from other source(s),
- Concealment of facts.

The e-Certificate of eligibility for Assistant Professor has been uploaded on <https://ecertificate.nta.ac.in>. The eligibility of the candidate is to be ensured by the institution/appointing authority. The category in which the candidate had appeared may be verified from NTA.

This electronic JRF award letter can also be verified by scanning the QR Code.

With best wishes,

(Dr Sadhana Parashar)
Senior Director

Note: NTA has issued the electronic JRF award letter on the basis of information provided by the candidate in his/her online application form. The appointing authority should verify the original records/certificates of the candidate while considering him/her for JRF award or appointment, as the NTA will not be liable for any false information provided by the candidate. The NTA is only responsible for the result which can be verified from the repository available in the website of NTA (ugcnet.nta.nic.in). The candidate must fulfil the minimum eligibility conditions as laid down in the notification for UGC-NET.

Each deduction will be applied by the Griffith University census date of each relevant trimester of the program, subject to meeting conditions of continuation. You must pay the remaining balance of fees, based on your enrolment, by census date. Please visit the International Student Academic Excellence Scholarship (<https://www.griffith.edu.au/international/scholarships-finance/scholarships/academic-excellence-scholarship>) web page for full terms and conditions of the scholarship, and if you have further questions you can contact the Scholarships team directly via email at intl-financialaid@griffith.edu.au.

The fees quoted in your Letter of Offer are current at the time of issuing your offer. However, tuition fees are increased annually and the tuition fee you will pay is the tuition fee for your program in the year you commence your study. Once you are enrolled in your first teaching period you will be invoiced for any balance owing. The annual tuition fee increase after your commencement year will be no more than 2.5%.

Griffith University tuition fees are published for each degree program and can be found at griffith.edu.au/degrees.

The tuition fees you pay for each teaching period will depend on the program in which you are enrolled and the number of credit points in which you are enrolled. A standard full-time teaching period enrolment is 40 credit points, however some programs require you to enrol in more or fewer than credit points per teaching period. If you receive an offer for multiple degree programs the tuition you will pay for each program is the tuition fee applicable to the year in which you commence each program.

Please note that the fees quoted do not include any special equipment or resources that may be required.

Information in relation to late payment of tuition fees or other circumstances in which additional fees may apply can be found at [policies.griffith.edu.au/pdf/Fees and Charges Policy Schedule I.pdf](http://policies.griffith.edu.au/pdf/Fees_and_Charges_Policy_Schedule_I.pdf)

3.6.4 - Refund Conditions for Off-shore

The University reserves the right to apply specific and different fee refund conditions to students enrolled in off-shore programs delivered with the assistance of off-shore partner organisations. Any such specific and different fee refund conditions will be outlined in the letter of offer.

3.6.5 - Program Transfer

If the student transfers from one program to another, the student is liable for the tuition fee related to the new program. Where the student has already paid the tuition fee for the first program, and the new program has a higher tuition fee, the student must pay the additional tuition fee. Where the new program has a lower tuition fee, any tuition fees in credit will be credited towards the remaining tuition fees, or refunded as provided in section 3.10.

3.6.6 - Withdrawal from Course

If the student withdraws from a course but does not withdraw from the program, and the withdrawal is affected prior to the census date (refer to Schedule H), the tuition fee for that course will normally be credited towards the remaining or future tuition fees. Alternatively, on application from the student, approval may be given for the tuition fee to be refunded as provided in section 3.10.

3.6.7 - Withdrawal from course on granting of credit

If a student receives credit for a course in which they are enrolled, the full tuition fee paid by the student for that course will be treated according to section 3.6.6, even if notification of credit approval is received after the census date.

3.7 - Withdrawal in Compassionate Circumstances - Grounds for Refund

Withdrawal in compassionate circumstances may be accepted as grounds for a full or partial refund of tuition fees.

Compassionate circumstances may include but are not limited to:

- serious illness or disability which prevents the student from being able to study; or
- death of a close family member (parent, grandparent, sibling, spouse or child); or
- political or civil event or natural disaster which prevents payment of fees.

These reasons may be accepted as grounds for a full or partial refund of fees for any of the reasons prescribed in section 3.6, provided that adequate documentary evidence is provided to support the application for a refund.

The student may also be eligible for withdrawal without academic penalty.

The process for applying for a refund and withdrawal without academic penalty in compassionate circumstances, including the time period within which an application must be lodged, is set out in the Student Administration Policy.

3.8 - Permanent Residency

3.8.1 If a student provides evidence of becoming a permanent resident of Australia prior to their commencement of study in the program and they subsequently apply for a place as an Australian resident student either as a Commonwealth supported student or a fee-paying student through the normal processes the offer of an international student place will be withdrawn and all tuition fees will be refunded.

3.8.2 If, after commencing study in the program, a student obtains permanent resident status in Australia and provides evidence of permanent resident status prior to the census date, the student will be provided with a domestic fee-paying place.

The student will be eligible for a refund of the difference between the fee as an international student and the fee for a domestic fee-paying student for the period of study in which the residency status changed.

3.8.3 If a student obtains permanent resident status but does not fulfil the conditions set out in section 3.8.2 by the census date, the student will not be eligible for a full or partial refund of tuition fees paid for the period of study in which the residency status changed. On continuing their enrolment in the next period of study, the student will be enrolled as an Australian resident student in a domestic fee-paying place.

3.8.4 A student who is enrolled as a domestic fee-paying student because of a change of residency status may apply for a Commonwealth supported place at the next admission period, provided that the student satisfies the conditions for transfer from a domestic fee-paying place to a Commonwealth supported place, as set out in the *Undergraduate Programs Admission Policy*.

3.8.5 The above processes also apply to an international student who becomes a New Zealand citizen during the course of their study.

3.9 - Remittance of Refund

Students must use the University's online or hard copy refund application form and attach any required supporting documents. In the event that the information provided in the refund application is not complete and further information is required, the processing timeline will not commence until the requested information has been submitted.

All refunds for which students are eligible, with the exception of refunds arising from withdrawal from a course (refer to sections 3.6.5, 3.6.6 and 3.6.7), will be:

- Refunded to the student via the original payment method to the student's home country, less any costs associated with the refund process; or
- Upon application by the student, remitted to another Australian education institution to which the student is approved to transfer, subject to the receipt of documentary evidence from the education institution regarding the student's transfer.

An application by a student for a refund to be paid to them at an Australian address will only be considered in exceptional circumstances.

Student refunds are normally paid to the person or organisation which originally paid the fees unless documentary evidence is available to justify payment to a third party. Refunds cannot be paid until Griffith University is in receipt of the monies into its account as cleared funds.

Any debts to Griffith University must be paid in full or the outstanding amounts will be deducted from the refund which is due.

3.10 - Review of the Refund Assessment Decision

If a student is dissatisfied with the refund assessment decision, the student may forward an application for review of the decision to the Associate Director, International Administration, Griffith International, using the *Review of a Decision* form in accordance with the University's Student Review and Appeals Policy and *Student Review and Appeals Procedures*. The decision of the Associate Director, International Administration is final.

Note: This written agreement, and the right to make complaints and seek appeals of decisions and action under various processes, does not affect the rights of the student to take action under the Australian Consumer Law if the Australian Consumer Law applies.
