2) Do you think that the courses offered in various programmes enhance the scope for employability of the students?

need experts' / prospective employers' advice ▼

3) How flexible are the courses offered in the programmes in terms of optional / elective / CBCS courses?

needs modification ▼

4) Do the courses being offered reflect the needs and aspirations of the society?

needs major revamp ▼

5) Do you consider the teaching-learning tools used for course delivery to be adequate?

average ▼

6) Do you think that the delivery of the courses / programmes would have been much better, if there had been a strong industry-academia collaboration?

to a large extent ▼

7) Do you think that the acceptance of the courses / programmes would have been much better, if there had been a strong alumni intervention in terms of training & placement activities of the College ?

to a large extent ▼

8) Do the research activities carried out in the College/University motivate the students to opt for a career in teaching, research or entrepreneurship?

would like to see more innovative and productive activities with a deeper social impact ▼

9) Apart from the regular / usual evaluation methodology adopted, can you think of any innovative ways for a more effective evaluation of the learning process?

There is shortage of permanent teacher in colleges and so by depending on non sanctioned and contractual teachers no innovative ways will be successful in teaching and learning process. Even regular / usual evaluation methodology effected badly due to involvement of under qualified teachers.

10) What is your opinion on the quality of the questions asked in the college/university examinations? Is there any scope for modification?

Quality need improvement and college teachers should get more chance to set questions of UG courses. Out of syllabus question should be avoided and must be student oriented. There should be scope of scoring marks.
