

MSC DISSERTATION (ZOOLOGY & WILDLIFE SCIENCE)

Name of the Department	Dissertation Title	Name of Student	Year
Zoology	ROLE OF AQUAPORIN IN STREPTOZOTOCIN INDUCED HYPERGLYCEMIC MICE TREATED WITH POLYHERBAL Submitted By FORMULATION (MD2021)	Parishmita Mudai	2021-22
Zoology	Studies on diversity of Forest birds in Gauhati University Campus	Kngkona Boro	2021-22
Zoology	Studies on Diversity and Distribution of termite species at gauhati University Campus	Chayanika Gogoi	2021-22
Zoology	Study the amertiolative effect of polyherbal formulaton in cisplatin-induced nephrotoxicity in male winstar rat	Jimli Sarma	2021-22
Zoology	STUDY ON THE ANTIOXIDANT ACTIVITY OF BRYOPHYLLUN PINNATUM AND ITS POTENTIAL FERTILITY EFFECT ON FEMALE MICE MODEL	Janti Paul	2021-22
Zoology	A study on the diversity and abundance of damselflies found at Gauhati University campus	Dipika Challeng	2021-22
Zoology	DIVERSITY OF MAMMALIA and FAUNA IN GAUHATI UNIVERSITY CAMPUS AND JALUKBARI RESERVE FOREST, KAMRUP, ASSAM	Ankur Jyoti Das	2021-22
Zoology	Sudy of moth diversity in gauhati University campus	Bidipta Paul	2021-22
Zoology	SPECIES-SPECIFIC ASSOCIATION OF FLOWERING PLANTS AND INSECTS	Manalisha Deka	2021-22
Zoology	STUDIES ON THE DIVERSITY AND DISTRIBUTION OF AMPHIBIAN FAUNA ON THE GAUHATI UNIVERSITY CAMPUS	NABAMALLIKA SARMA	2021-22
Zoology	STUDIES ON THE DIVERSITY OF SPIDER FAUNA IN GAUHATI UNIVERSITY CAMPUS, JALUKBARI, KAMRUP, ASSAM	QUEENY DUTTA	2021-22
Zoology	Study on the antioxidant activity of Centella Asiatica and its potential antifertility effect on female reproductive system	Debarati Paul	2021-22
Zoology	STUDIES ON THE DIVERSITY AND DISTRIBUTION OF DRAGONFLY FAUNA IN GAUHATI UNIVERSITY CAMPUS, ASSAM	RUPTALIN ENGTIPI	2021-22
Zoology	Study on the abundance and diversity of reptiles in Gauhati university campus	Vishek Dutta	2021-22
Zoology	Prey preference and niche overlap between two pantherine sympatric large carnivores in central range of Manas National Park	Mritunjoy Huzri	2021-22
Zoology	Studies on food habits of sympatric meso herbivores in central range of manas national park, assam, india	Nandita Khound	2021-22
Zoology	Studies on the diversity of migratory birds in the river stretch of Palashbari to Umananda Ghat of the south bank of Brahmaputra	Florence Kashyap	2021-22
Zoology	Studies on the distription of bird nest and its characteristics in the guwahati city	Sagarika Thakauria	2021-22

MSC DISSERTATION (ZOOLOGY & WILDLIFE SCIENCE)

Zoology	Studies on the distribution and population status of gangetic river dolphin in river brahmaputra within the boundary of kamrup metro district	Priyanku Borah	2021-22
Zoology	Studies on the diversity of Avian fauna in different agro ecosystems of kamrup rural district assam india	Tanmoyee Sharma	2021-22
Zoology	Studies on diversity, distribution and abundance OF MOTH SPECIES IN RANI reserve forest	Arpita Paul	2021-22
Zoology	Studies on the distribution of Greater Adjutant Stork in central and eastern Assam	Sekhar Jyoti Borpatra Gohain	2021-22
Zoology	Studies on the distribution and population status of gangetic river dolphin in kulsi river of kamrup assam	Amrit Kumar Handique	2021-22
Zoology	Studies on common food resources and spatial overlapping of asiatic wild elephant with other ungulates in bansbari range of manas national park	Joyshree Bhuyan	2021-22
Zoology	Studies on herding pattern of Asian elephant at bansbari range of manas national park	Chimi Chetia	2021-22
Zoology	Studies on the diversity of wader birds on the southern stretch of brahmaputra river from palashbari to umananda ghat	Jyotirmoy kalita	2021-22
Zoology	Studies on the food habits and forage types of sympatric megaherbivores in Bansbari of manas national park	Niharika brahma	2021-22
Zoology	Studies on the density, diversity and abundance of grassland birds of central range of manas national park, assam	Ami Bordoloi	2021-22
