Subject: Request for your kind approval for organizing an interactive programme and visit of Dr. Ralf Heckner (Ambassador of Switzerland to India and Bhutan) to Gauhati University

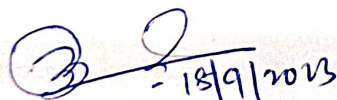

Sir,

This is to inform that the IIPC, Gauhati University is going to organize a student interactive programme on 8th December, 2023 at Gauhati University. Dr. Ralf Heckner, who is the Ambassador of Switzerland to India and Bhutan has given kind consent for the same. After your kind approval, his visit on the particular date to Gauhati University will be finalized as per the protocol. It will be an opportunity for our students to showcase their talents and skills and to interact with the State guests and the business leaders from Sweden. Moreover, this will be an activity under the Industry-Institution Partnership Cell (IIPC), Gauhati University.

I would like to mention that there will be no financial involvement from the University and only we have to arrange a short cultural program either through DSW or student union of Gauhati University.

I, therefore, request your kind approval for the same.

With warm regards,

18/9/2023
