FOREWORD

Established in the year **1948** under the Gauhati University Act, 1947 passed by the State Legislature of Assam, **Gauhati University (GU)** happens to be the oldest and the largest University in North-East India. It has been consistently ranked among the best Universities of the region by the National Institutional Ranking Framework (NIRF), Indian Rankings - 64th in the Overall Category and 36th in the University Category in the NIRF, Indian Ranking, 2022. The University has also been accredited as 'A' Grade University by National Assessment and Accreditation Council (NAAC).

The University comprises of 45 Post Graduate Departments, an Institute of Science and Technology, an Institute of Distance and Open Learning (GUIDOL) and a constituent Law College apart from some Centres within its campus. The University offers numerous Programmes of the Study in the Undergraduate level, an array of Post Graduate Programmes (Masters, M.Phil, PhD), Certificate and Diploma Programmes. It has implemented the Choice Based Credit System (CBCS) at the undergraduate level as well as at the postgraduate level offering flexibility for the students to adapt themselves to a new era of competency. The University has more than 300 affiliated colleges, offering Under Graduate and Post Graduate courses under different faculties.

In this Annual Report, attempts have been to record information concisely regarding academic and administrative departments of this University and its affiliated colleges. The undersigned on behalf of the Gauhati University takes pleasure to acknowledge the generous assistance and co-operation under the leadership of the Hon'ble Vice Chancellor, Heads of all Offices and Academic Departments of the University, Principals of the affiliated colleges, University officers and employees concerned.

The Annual Report has been published in an updated format which is the result of the efforts put by the Editorial Board as per advice of the Hon'ble Vice Chancellor, Gauhati University. It is expected that the Report will reflect a comprehensive picture of the University even though there is scope for a better reflection.

With regards

(Dr. Hemanta Kumar Nath)
Registrar, Gauhati University

The 74th Annual Report of Gauhati University is a documentation of all the developments and academic achievements of the University for the academic year 2021-2022. The Report consists of two parts. Part-I largely depicts the profiles and activities of the Postgraduate departments along with the activities of the Management, Statutory and Non-Statutory Bodies of the University. This report attempts to highlight the contributions made by faculty members in research publications, research projects, participation in national /international seminars and workshops, special achievements including awards, honours, patents etc. The report also mentions notable achievements of students in the arena of sports and culture both at the national and state level. Part-II attempts to portray the spectrum of various academic and co-curricular activities of the colleges affiliated to this University.

I am highly indebted to our honourable Vice-Chancellor Prof. Pratap Jyoti Handique for his kind guidance, constant support and encouragement in bringing out this report. I would like to offer my sincere thanks and gratitude to Dr. H. K. Nath, Registrar, Gauhati University for his consistent encouragement and logistic support in every aspect of the work.

I am thankful to the Heads of the Departments, Centre In-charges, Statutory and Non- Statutory Committee Heads and Principals of affiliated Colleges for providing the necessary information of their respective Departments/ Colleges/ Centres for inclusion in this report. I am really indebted to Prof. Amit Choudhury, Director, Institute of Distance and Open Learning (IDOL) of Gauhati University and Prof. Dulumoni Goswami, Director, GU Press for their cordial help in arranging logistics for the team. I express my sincere thanks to Prof. Madhurjya P. Bora, Director, IQAC for his cooperation and support in assembling the faculty data from the AROHAN database. I am also thankful to Dr. Pranjal Sarma Bashishtha, Associate Professor, Department of Assamese, Gauhati University for taking the effort in translating part of the report.

I would like to put in record my appreciation for all teaching and non-teaching staff members who have contributed directly or indirectly to the compilation of this 74th Annual Report. I also would like to offer my sincere thanks to all the staff members of Statistical Unit and Registrar's Office for their help in collecting information from the Heads of the University Departments, faculty members, officers. Special thanks are also due to Sri Jugal Ch. Nath of GU Press and all his colleagues of Gauhati University Press for timely bringing out the Annual Report-2021-22.

Finally, I would like to express my heartfelt gratitude to all the members of the GU Annual Report Editorial Board 2021-22 for their untiring help and co-operation in collating and publishing this Annual Report.

ABOUT GAUHATI UNIVERSITY

Gauhati University (a NAAC A-grade institution) was established in 1948 under the Gauhati University Act, 1947, just after independence with the support, contribution and cooperation of the common masses of the region as an expression of the region's unique historical, intellectual and cultural diversity. Being the oldest and the largest state university in the entire Northeastern part of India, the university served as the academic and cultural role model of the region, based on which other academic institutions in Northeast India started their sojourn. Being the pioneer institute of higher education, it extends support to all subsequent academic institutions in this region. Since inception, Gauhati University has been devising need based, cutting-edge, and timely education for the students in the neighbouring areas and caters to the academic and intellectual needs of a wide spectrum of social and economic strata. Although need and applicability keep changing with changing times, Gauhati University is constantly trying to keep pace with time. Many eminent personalities of the region were alumni of the university. With a sprawling campus spread over an area of 508.8 acres, Gauhati University comprises 45 Departments, 1 constituent Law College, an Institute of Distance and Open Learning (IDOL) and 10 Centers of Studies. The University provides undergraduate and postgraduate courses across six faculties namely Arts, Science, Commerce & Management, Law, Engineering and Technology and Medicine & Allied Health. The University consistently ranks as one of the best universities in the region, ranking 36th among all Indian Universities (National Institutional Ranking Framework -2022).

(A) SAIF

The Sophisticated Analytical Instrument Facility (SAIF) funded by Department of Science and Technology (DST), Govt. of India, was established in the Department of Instrumentation and USIC, Gauhati University in the year 1986. It renders analytical services to the academicians and researchers of various institutions and industries. At present the SAIF, GU, is equipped with

| S.No | Instrument | Qty | Remarks |
|------|---|-----|----------------------|
| 1. | Power X-ray Diffractometer (XRD) | 1 | In working condition |
| 2. | X-ray Fluorescence Spectrometer (XRF) | 1 | In working condition |
| 3. | Single Crystal X-ray Diffractometer (SCXRD) | 1 | In working condition |
| 4. | TGA & DSC | 1 | In working condition |

SAIF, GU, caters the need of scientist, researchers, students and industries of the country in general and north-east region in particular. During the year 2020-2021, 274 number of samples have been analysed and an amount of Rs. 6,84,734.00/- (six lakh eighty-four thousand seven hundred and thirty four) has been earned by SAIF, GU, and the details are given below

| Instrument used | Number of sample | Total Earning in Rupees |
|---------------------|------------------|-------------------------|
| XRD Internal Sample | 337 | 6,84,734.00/- |
| XRD External Sample | 356 | |
| XRF Internal Sample | 100 | |
| XRF External Sample | 73 | |

| DSC Internal Sample | 6 | |
| DSC External Sample | 12 | |
| TGA Internal Sample | 36 | |
| TGA External Sample | 50 | |
| Total | 1106 | |

During the year 2021-2022, in addition to the internal departmental jobs, jobs received from various GU departments and other institutions were done. Technical staffs of electrical/electronic

workshop assist in conducting practical classes in laboratory. The practical classes of Workshop Practice of M.Sc. Instrumentation Course and the third semester BS/B. Tech. course of IST, GU is presently conducted in the USIC workshops of this department.

K. K. Handiqui Library, Gauhati University

- **Year of establishment: 1948**
- **Librarian in-charge: Prof. Sanjay Kr. Singh**

Being an exclusively academic Library, the Krishna Kanta Handiqui Library caters to the needs of the students, teachers and research scholars from the different levels of the academic disciplines including the Masters, MPhil, PhD and Post-Doctoral as well. It not only helps in supporting the classroom instructional programmes of the University, but also unfolds the horizon of knowledge in regard to the different research programmes carried out by the University. Renamed after its first Vice Chancellor K.K. Handiqui, an Orientalist of world fame, the library possesses personal collection of Handiqui, consisting of 7593 volumes of books generously donated by him to Gauhati University. The collection includes books on 11 (eleven) different languages like English, French, German, Greek, Italian, Latin, Pali, Prakrit, Russian, Sanskrit and Spanish.

Being one of the oldest University Library, KKH Library has a grave collection of books and resources that has enhanced research and scholarly activities throughout the years. Significantly, every year the library indulges in the process of procuring books and materials both online and offline that has made the KKH Library one of the finest academic libraries in the North-east region and in India as well. The library takes immense pride in its assets which consists of books, periodicals, thesis, manuscripts, dissertations etc.

The KKH Library has a staff strength of 4 Officers (Assistant Librarians), 13 Professional Staffs & 23 Non-Professional Staffs, besides having a Librarian-in-charge. It has a reading capacity of 300 and its clientele has increased with 2508 Post-Graduate Students and 264 Research Scholars as newly enrolled users for the cited tenure.

In connection to the facility provided to the college teachers of affiliated colleges under G.U. of membership to the Library, the KKH Library is planning to implement life-time memberships for academicians and researchers. In addition to these, KKH also hopes to implement prospects for reader advisory in the near future.

CENTRAL INSTRUMENTS FACILITY (CIF)

- **Year of establishment: 2018**
- **Head In-charge: Prof. Dilip Kr. Kakati**

Experimental research in all disciplines of science is dependent on the variety of sophisticated analytical instruments. So, to facilitate the research activities in the University, the need for a Central Instruments Facility, accessible to all Departments of the University, was felt for a long time and it was finally decided to have a Central Instruments Facility for the University.

High-end instruments have been installed:

- A bench top Quadrupole with Time of Flight/ Quadrupole with Time-of-Flight Equivalent Technology as High-Resolution Mass Spectrometer (HRMS) system (Make: Waters, USA; Model: Xevo G2-XS QTOF 32k included Lock Spray with combined ESI & APCI source) has been installed in the CIF, Gauhati University.
- A Field Emission Scanning Electron microscope (FESEM) system (Make: Zeiss, Germany; Model: Sigma 300) has been installed in the CIF, Gauhati University.

INSTITUTES AND CENTRES

GAUHATI UNIVERSITY INSTITUTE OF DISTANCE AND OPEN LEARNING (GUIDOL)

- **Year of establishment: May, 1998**
- **Director-in-charge: Prof. Dandadhar Sarma**

The Gauhati University Institute of Distance and Open Learning (GUIDOL) was established with an objective to ensure that the larger number of students, who could not pursue their higher studies through conventional mode of education, could avail the opportunity to pursue quality higher education in distance mode. GUIDOL has completed 24 years of successful existence and aims to continue the mission of providing quality higher education. It started with an enrolment of 514 students and 6 courses were offered. It is the only institute in the country to offer PG courses in five languages listed in the 8th Schedule viz. Assamese, Bengali, Sanskrit, Bodo and English. Equipped with latest technologies, GUIDOL strives to provide a learning environment in an intellectually challenging world.

Courses Offered:

Approval for offering courses in ODL (Open and Distance Learning) mode during the period under review is under consideration of UGC-DEB.

CENTRE FOR SOUTH-EAST ASIAN STUDIES (CSEAS), GAUHATI UNIVERSITY

- **Year of establishment: 2017**
- **Honorary Director: Prof. Nani Gopal Mahanta**
- **Deputy Director-in-charge: Dr. Rubul Patgiri**

The Centre for South-East Asian Studies (CSEAS) was established under the financial assistance of Government of Assam in Gauhati University and is the first of its kind in North East India. It is currently located in the Department of Political Science in the University's New Academic Building.

The North East India region has assumed crucial significance with regard to India's emerging relationship with South-East Asian countries, particularly in the context of India's Act East Policy. Against this backdrop, the Centre for South-East Asian Studies has been designed to further dialogue and generate a knowledge network to understand the challenges and opportunities faced by India, particularly North East India, in relation to East and

South-East Asia. In order to act as a knowledge hub for promoting India's relation with South-East Asia, the Centre has proposed to undertake a number of academic activities which include organising regular seminars and symposia, publication of peer-reviewed books, monographs and journals by research scholars and faculty members, liaison with scholars and students in various universities of the North Eastern region and promoting inter-university research programmes on themes of trans-border challenges and opportunities.

Objectives

The CSEAS strives to achieve the following objectives:

1. To generate knowledge and develop understanding about the East and South-East Asian region.
2. To produce insights on India's relations with East and South-East Asian nations and provide policy inputs for deepening and strengthening their mutual relations.
3. To understand the significance and concerns of North East India in the context of the emerging relationship between India and South-East Asia and the need to integrate the interests of the region in this evolving pattern of relationship between them.
4. To facilitate Track, I and Track II diplomacy between India and the East and South-East Asian nations for a more engaged and sustained mutual relationship between them by establishing and developing contacts/networks of their institutions, academicians, students, civil society, etc., through mechanisms like students' exchange programmes.

Activities of the Centre during the period of 2021-22:

1. Under the 'Special Lectures Series' programme the following lecture was organized on 22/03/2022: 'The Ukraine-Russia War: Perspectives of Global and National Implications' by Prof. Harsh V. Pant.

REGIONAL ACADEMIC CENTRE FOR SPACE (ISRO RAC-S)

➤ Regional Coordinator & Honorary Director: Prof Madhurjya P. Bora

ISRO's (Indian Space Research Organisation) Regional Academic Centre for Space (RAC-S) at Gauhati University is set up following the signing of the Memorandum of Understanding (MoU) between ISRO and Gauhati University on 17th July, 2019. The initiation of setting up of this academic centre was an effort by G. U's former Vice Chancellor, Dr Mridul Hazarika in a meeting with Dr K Kasturirangan, former Chairman of ISRO, who visited Gauhati University to deliver the 27th Convocation address. The final MoU was signed on 17th July, 2019 by Dr P.V. Venkitakrishnan (Director, CBPO, ISRO) on behalf of ISRO and Prof. Nani Gopal Mahanta, Registrar (i/c) on behalf of GU, in a ceremony in presence of members of the faculty of G.U, scholars, representatives of nearby Universities and institutes.

Mandate of RAC-S:

The ISRO-GU Regional Academic Centre for Space (RAC-S) at G.U, Guwahati shall pursue advanced research in the areas of relevance to the future technological and programmatic needs of the Indian Space Programme, act as a facilitator for the promotion of space technology activities in the North-Eastern region comprising the states of Arunachal Pradesh, Assam, Manipur, Meghalaya, Mizoram, Nagaland and Tripura and shall devote its resources including human resources to this effect. The activities of RAC-S shall be directed to maximise the use of the research potential, infrastructure, expertise and experience already existent in ISRO and G. U, Guwahati. The GU RAC-S shall also facilitate and engage other institutes of excellence in the region to take part in the capacity building, awareness creation and research and developmental activities related to space technology, space science and space applications.

The RAC-S shall consist of an Honorary Director, Regional Coordinator, faculty members, visiting scientists and experts, research personnel, technical, administrative and support staff. The Centre will be headed by a Regional Coordinator, who will be identified by GU from the existing staff of GU. The Regional Coordinator of the RAC-S shall be responsible for overall management of the RAC-S, including its day-to-day functioning and recommending all expenditures under the approved budget of the RAC-S.

Joint Policy Management Committee (JPMC) of RAC-S:

1. Vice Chancellor (Chairperson), Gauhati University
2. Shri Ramanathan V (Co-Chair), Outstanding Scientist, UR Rao Satellite Centre, Bengaluru
3. Prof Madhurjya P. Bora (Convenor), Regional Coordinator & Honorary Director, RAC-S, GU
4. Dr. Ilangovan SA (Member), Outstanding Scientist, Vikram Sarabhai Space Centre (VSSC), Thiruvananthapuram
5. Shri Krishna Nandan V (Member), Outstanding Scientist, Liquid Propulsion System Centre (LPSC), Valiamala
6. Dr. Ravikumar MV (Member), Scientist/Engineer G, National Remote Sensing Centre, Hyderabad
7. Shri Sudhakar S (Member), Scientist/Engineer G, UR Rao Satellite Centre, Bengaluru
8. Shri Patel AS (Member), Scientist/Engineer G, Space Applications Centre, Ahmedabad
9. Shri Raghavendra MR (Member), Scientist/Engineer G, ISTRAC, Bengaluru
10. Dr. MA Paul (Member Coordinator), Scientist/Engineer SG, RESPOND & AI, CBPO, ISRO Headquarters, Bengaluru

Activities of GU RAC-S:

During the first and second cycles of its functioning (2021-22), GU RAC-S received about 30 projects from various institutes of Northeast India. Among these, 6 projects were shortlisted and finally three projects were selected for funding from GU RAC-S. Of these three projects, one each in NIT (Manipur), CPP-IPR (Assam) and Gauhati University.

BIO-INFORMATICS INFRASTRUCTURE FACILITY (BIF)

- **Year of Establishment: 2008**
- **Coordinator: Prof. Jogen Chandra Kalita**
Co-Coordinator: Dr. Manas Das

The Department of Biotechnology, Ministry of Science & Technology, Govt of India has been pleased to set up Bioinformatics Infrastructure Facility (BIF) in the Gauhati University, Guwahati, Assam in February 2008. The centre is a member of North-eastern Bioinformatics network (NEBInet) and Biotechnology Information System Network (BTISnet). The Centre's facilities include dedicated lease line Internet connectivity from BSNL, DELL servers with DELL PCs with LINUX and Microsoft Windows operating system, and major Bioinformatics tools.

The objective of the training is to create awareness towards application of Bioinformatics tools among Research scholars and college teachers in biological sciences.

AQUACULTURE & BIODIVERSITY CENTRE

- **Year of Establishment: 2012**
- **Co-ordinator: Prof. Dandadhar Sarma**

The Aquaculture & Biodiversity centre was established by the Gauhati University under the supervision of Department of Zoology, Gauhati University with the financial assistance from UGC, New Delhi (under SAP program with the thrust area Aquaculture & Biodiversity), DBT-GOI, DST-GOI, ICAR-NBFGR, Lucknow & NFDB, Hyderabad with a vision to convert the centre as an Institute for Advance studies in Aquaculture and to promote applied & cutting-edge research in Aquaculture. Mission of the Centre is to explore and adopt new scientific approaches for the conservation of fish faunal diversity of NE India and as well as to promote applied research & training in the field of Aquaculture & Fisheries.

Objectives of Aquaculture & Biodiversity Centre, Gauhati University in accordance with the Mission & Vision:

- (a) To impart hands on training to local youths/farmers/entrepreneurs on Ornamental Fish Breeding & Larval Rearing, Aquaculture, Aquaculture and Fish Health Management.
- (b) To promote semi-intensive & intensive integrated Fish-cum-livestock farming in rural Assam through demonstration unit.
- (c) To develop package of practices (POP) on Breeding & Larval rearing protocols of commercially important endemic & indigenous fish species of Assam for the benefit of Fish farmers/entrepreneurs.
- (d) To prepare and formulate low-cost fish feed with the help of locally available ingredients.
- (e) To increase income of Aquaculture & Biodiversity Centre, GU from 10 lakhs/annum to 100 lakhs/annum within next five years through Aquaculture products & process.

Breakthrough achieved since its inception in Aquaculture Research & Training:

1. Discovered or described Seven (07) new fresh water fish species of NE India so far.
2. Developed Breeding & Larval Rearing Protocols of 17 indigenous species of Brahmaputra Drainage so far which is new to science.
3. Isolated and identified 7 pathogenic bacteria of fresh water from measures districts of Assam and develop remedial measures of 4 pathogenic bacteria.

4. More than 800 fish farmers have already been trained in various aspects of aquaculture through TSP and SCSP Scheme of ICAR-NBFGR & DBT, GOI so far.
5. Adopted 10 villages in Kamrup (R), Baksa, Dima Hasao, Udalguri & Goalpara district of Assam so far for promotion of Integrated Fish cum livestock farming, Fish seed production of Indian Minor & Major carps as well as indigenous ornamental Fishes.
6. Ornamental Fish conditioning, Rearing & Breeding Unit with the facilities like biological filter, cistern with flow through system and aquariums of different sizes along with continuous aeration has also been installed. The unit is being constructed as a component of NFDB; Hyderabad sponsored *Freshwater Ornamental Fish Brood Bank*. The brood bank is the first of its kind, not only NE region but also in any University of the country which was inaugurated by our Honourable Chief Minister of Assam, Dr. Himanta Biswa Sarma on 26-01-22.

Collaborations being made so far:

1. Signed MOA with leading national research Institute like ICAR-NBFGR, Lucknow, ICAR-DCFR, Bimital since 2012 for promotion of Aquaculture production, Research & Training.
2. Signed MOA with giZ, the German Counterpart in October, 2021 to collaborate with the Indo German Bilateral Cooperation Project “Protection and Sustainable Management of Aquatic Resources in the North Eastern Himalayan Region of India (NERAQ)”. The agreement was signed in 2017 by the Government of India & Federal Government of Germany in New Delhi.

Recently approved few projects of the Centre funded by National and International funding agencies:

1. *Establishment of Rural Bio-resource Complex through Integrated Aquaculture practices at Goalpara, the Aspirational district of Assam*, sponsored by DBT, GOI in 2022.
2. *Biotech-Krisbi Innovation Science Application Network (Biotech-KISAN) in Udalguri & Dima Hasao district* sponsored by DBT, GOI in 2022.
3. *Adaptive research on indigenous/endemic fish species of the North Eastern Region of India: inputs on threat level and opportunities for protection and management in adapting climate change:* a component of Indo German Bilateral Cooperation Project in 2022.
4. *Aquaculture led intervention as Key Performance Indicator in two Aspirational Villages in Dima Hasao district Assam* sponsored by ICAR-NBFGR, Lucknow.

AND ACTIVITIES

OTHER UNITS AND ACTIVITIES

INTERNAL QUALITY ASSURANCE CELL (IQAC), GU

- **Year of establishment: 2002**
- **Director: Prof. Madhurjya P. Bora**

Activities during 2021-22:

- AQAR was submitted for the 4th cycle of NAAC.
- Prepared and submitted the data for NIRF Rankings 2022, where Gauhati University adjudged 36th in the Category - University. GU retained No. 1 spot among in the university category in Northeast India.
- Submitted data and participated in the QS World University Ranking for the year 2022, where Gauhati University placed in the bracket #601-650 among universities from Asia and placed in #160 among South-Asian universities.
- Thirteen meetings were held among the members of IQAC to discuss matter related to NAAC AQAR, NAAC Taskforce Committee, IUMS and QS world University Ranking.
- Applications for 28 different posts across 11 academic departments for posts of Assistant Professors, Associate Professors, and Professors have been evaluated.
- CAS applications of 69 faculties have been scrutinized.

IQAC Initiatives

IQAC has taken several initiatives during the year 2021-22:

- **AROHAN** is the Scholastic Data Repository of all faculty members of GU.
- **ADR** (Academic Data Repository) is the Data Logging Platform for GU's academic departments and student's welfare offices.
- **GU-CAS** is the GU's Career Advancement Management System, which is completely automated and digitised. It handles all promotions of faculty members as well as the new recruitments.
- **CensFEED** is the GU's Centralised Student Feedback System through which feedbacks are collected regularly at the end of each semester examination. It is a digital and anonymous feedback collection system for present students as well as GU alumni.
- **U-TEC** is the Technical Cell for Undergraduate Examination of GU. It is a division of the Student Management System. Under the U-TEC, the IQAC has commissioned a fully automatic Digital Mark Entry system.

GAUHATI UNIVERSITY INTERNATIONAL RELATIONS WING

➤ **Co-Ordinator:** Prof. Ratul Mahanta

The Gauhati University Office of International Relations Wing (GUOIR) aims to explore academic partnership with universities, industries and research labs for collaborative academic/research activities along with students exchange programmes. Gauhati University gives high priority to relations with the universities/institutions of the rest of the world. To facilitate the process, in 2016, Gauhati University launched International Chapter of the Alumni Association in London, UK, called the 'European Chapter' for the purpose of academic exchange between Gauhati University and various European universities/institutions. This initiative has subsequently extended to Australia, China and some South Asian Universities. As a result, several MoUs have been signed between Gauhati University and universities/institutions of these countries to explore the potential for collaborations in research and teaching as well as initiate student exchange programmes between institutions. As a result of it many collaborative programmes have been going on with foreign universities and institutes. Under student exchange programme, two batches of Vietnam and Thailand had completed certificate course at Gauhati University in the Department of Information & Technology and Centre for South Asian Studies during 2018 and 2019. In the current year too, the same exchange programme has been going on where a group of students from Thammasat University, Thailand took admission in a certificate course.

Gauhati University welcomes foreign students from all over the world for admission into its different courses and programs. Till date, foreign students from Japan, Iran, Ethiopia, Tanzania, Egypt, Swaziland, Lesotho, Uganda, Comoros, Bangladesh and Sri Lanka have been admitted into several programs. Gauhati University has separate international hostel to accommodate the international students.

GREEN AUDIT

Gauhati University is committed to protect the natural environment by implementing eco-friendly practices. In its pursuit for improving environmental quality and to maintain a pristine environment for the future generation of students as well as of all campus dwellers, Gauhati University has been undertaking a self-inquiry on environmental quality of the campus since 2017. The University thus supports the climate neutrality goals as outlined by the Government of India and routinely monitors the sustainability of the research and education mission through the Green Audit Committee constituted time to time incorporating different faculty members to collect the baseline data of environmental parameters so that environmental issues could be resolved before they become a problem. The Green Audit Committee always looks forward to identify the current emerging environmental related issues and to monitor the environmental management practices adopted in the University along with subsequent impact of these on the university environment.

Research Projects:

Arabic

- Gauhati University funded research project on the theme *Reception of Rabindranath Tagore in the Arab World* for a period of 54 months from 2018 at a sanctioned amount of ₹ 150000.0 sanctioned to Mizazur Rahman Talukdar as PI.

Bioengineering & Technology

- DBT funded research project on the theme *Deciphering the role of microbes in agarwood deposition and functional characterization of important key enzymes* for a period of 36 months from 2018 at a sanctioned amount of ₹ 7389988.0 to Debabrat Baishya as Co-PI.
- DBT funded research project on the theme *Development of Novel Rationally Designed Ferrocene, Glucose and Folic Acid Conjugated Lanthanides(III), Iron(III) and Cobalt(III) Complexes as Antibacterial and Theranostic anticancer Agents* for a period of 36 months from 2020 at a sanctioned amount of ₹ 2090240.0 sanctioned to Kandarpa Kumar Saikia as PI.
- Indian Council of Medical Research funded a research project on the theme *A Systematic assessment of acute viral hepatitis and chronic liver diseases in Northeast India with special reference to strengthening of laboratories in the region* for a period of 12 months from 2020 at a sanctioned amount of ₹ 2265100.0 sanctioned to Subhash Medhi as PI.
- Department of Science and Technology (DST/INSPIRE Fellowship) funded a research project on the theme *Methylation and expression analysis of Toll Like receptor signalling pathway and its correlation with pregnancy outcome in Hepatitis B virus infected case* for a period of 12 months from 2020 at a sanctioned amount of ₹ 451520.0 sanctioned to Subhash Medhi as PI.
- Department of Health Research funded a research project on the theme *Support to Conduct Training Programme in the area of Molecular Biology/Molecular Diagnostics* for a period of 12 months from 2021 at a sanctioned amount of ₹ 971067.0 sanctioned to Subhash Medhi as PI.

Biotechnology

- ICMR funded a research project on the theme *Evaluate the role of oxidative stress in HEV related pregnancy complications and outcome: A hospital based study from northeast India* for a period of 30 months from 2019 at a sanctioned amount of ₹ 1294814.0 sanctioned to Sujoy Bose as PI.
- Department of Biotechnology funded a research project on the theme *Mass-multiplication, cultivation, value addition, and popularization of Docynia indica among tribal communities of Assam and Meghalaya* for a period of 36 months from 2021 at a sanctioned amount of ₹ 4301920.0 sanctioned to Pranjan Barman as PI.
- DBT funded a research project on the theme *Exploring nutraceutical potential of Shiitake (Lentinula edodes) and Maitake (Grifola frondosa) mushrooms and promotion of its production for entrepreneurial and socioeconomic livelihood in northeast India* for a period of 36 months from 2021 at a sanctioned amount of ₹ 5937885.0 sanctioned to Mohammad Imtiyaj Khan as Co-PI.
- DBT funded a research project on the theme *Exploring Nutraceutical Potential of Shiitake (Lentinula edodes) and Maitake (Grifola frondosa) Mushrooms and Promotion of its Production for Entrepreneurial and Socioeconomic Livelihood in North East India* for a period of 36 months from 2021 at a sanctioned amount of ₹ 5937445.0 sanctioned to Debasish Borbora as PI.
- DBT funded research project on the theme *Characterization of novel photoprotective MAAs and antimicrobial carotenoids from natural pigmented yeasts endemic to northeastern region* for a duration of 3 years (2018-2021) at a sanctioned amount of ₹ 42,00,996 sanctioned to Hridip Kumar Sarma as PI.
- DBT funded research project on the theme *Entomoremediation of plastics: role of host gut microbiota of insect resources of northeast India in plastic degradation* for a duration of 2 years (2019-2021) at a sanctioned amount of ₹ 59,13,039 awarded to Dr. Miranda Kshetrimayum (Woman Scientist) working under the guidance of Hridip Kumar Sarma as mentor.

Botany

- SERB funded a research project on the theme *Deciphering miRNA-mRNA modules associated with Darjeeling tea quality* for a period of 42 months from 2018 at a sanctioned amount of ₹ 4373000.0 sanctioned to Niraj Agarwala as PI.

- MoEF &CC funded a research project on the theme *Assessing phytoplankton diversity in different fresh water habitats of Assam, Tripura & Arunachal Pradesh* for a period of 46 months from 2018 at a sanctioned amount of ₹ 2273000.0 sanctioned to Partha Pratim Baruah as PI.
- Gauhati University funded a research project on the theme *Harnessing endophytes from wild tea germplasms for developing microbial bioformulation aimed at sustainable organic tea production* for a period of 36 months from 2018 at a sanctioned amount of ₹ 150000.0 sanctioned to Niraj Agarwala as PI.
- DBT funded a research project on the theme *Exploration of endophytic communities from some selected indigenous rice landraces of North-East India and their applications for improvement of growth and yield of traditional rice varieties* for a period of 47 months from 2018 at a sanctioned amount of ₹ 6367992.0 sanctioned to Kumanand Tayung as PI.
- DST funded a research project on the theme *Molecular systematics of Wild Edible Macrofungi of Eastern India and exploration of their nutritional prospects as nutraceuticals* for a period of 60 months from 2018 at a sanctioned amount of ₹ 3500000.0 sanctioned to Arun Kumar Dutta as PI.
- ASTEC funded a research project on the theme *Inventorization of wild edible fruits of Assam with special reference to their sustainable utilization for livelihood generation* for a period of 33 months from 2019 at a sanctioned amount of ₹ 500000.0 sanctioned to Nilakshee Devi as Co-PI.
- ASTEC funded a research project on the theme *Inventorization of wild edible fruits of Assam with special reference to their sustainable utilization for livelihood generation* for a period of 35 months from 2019 at a sanctioned amount of ₹ 500000.0 sanctioned to Namita Nath as PI.
- DST funded a research project on the theme *Climate change impact assessment of threatened taxa in the Eastern Himalaya: Regeneration and conservation strategies* for a period of 36 months from 2020 at a sanctioned amount of ₹ 13645874.0 sanctioned to Bhaben Tanti as PI.

Chemistry

- SERB funded a research project on the theme *Development of residual chemical shift anisotropy based NMR methods for determination of small molecule constitutions and configurations* for a period of 36 months from 2018 at a sanctioned amount of ₹ 400000.0 sanctioned to Nilamoni Nath as PI.
- DST funded a research project on the theme *Porphyrin appended silane and graphene quantum dot based hybrid photodetector: Mechanism and air-stable device fabrication* for a period of 60 months from 2019 at a sanctioned amount of ₹ 3500000.0 sanctioned to Bedanta Gogoi as PI.
- UGC funded a research project on the theme *Designing smart nanomaterials based microfluidic device for the detection and removal of environmental pollutants* for a period of 36 months from 2021 at a sanctioned amount of ₹ 1000000.0 sanctioned to Arabinda Baruah as PI.
- UGC funded a research project on the theme *Nonequilibrium Quantum Thermodynamics of Driven Single Molecule Junctions* for a period of 24 months from 2021 at a sanctioned amount of ₹ 1000000.0 sanctioned to Himangshu Prabal Goswami as PI.
- SERB funded a research project on the theme *Mechanochemical Synthesis of Pharmaceutical Solid Forms to Avoid Degradation of Moisture Sensitive Active Pharmaceutical Ingredients using Combined Crystal Engineering and Computational Approaches* for a period of 36 months from 2021 at a sanctioned amount of ₹ 1830000.0 sanctioned to Ranjit Thakuria as PI.
- SERB funded a research project on the theme *Optimization of quantum heat engine prototypes for experimental prognosis using artificial neural networks* for a period of 24 months from 2021 at a sanctioned amount of ₹ 2453039.95 sanctioned to Himangshu Prabal Goswami as PI.
- DST SERB funded a research project on the theme *Development of organic-conjugated luminogens with tunable solid state emissions and evaluation of mechano-responsive properties* for a period of 24 months from 2021 at a sanctioned amount of ₹ 2732400.0 sanctioned to Rupam Jyoti Sarma as PI.

Communication & Journalism

- US Dept of State funded a research project on the theme *The Room Where It Happens* for a period of 14 months from 2020 sanctioned to Ankuran Dutta as Co-PI.

- University of California Los Angeles funded a research project on the theme *Visual Histories of North East* for a period of 13 months from 2021 sanctioned to Ankuran Dutta as Co-PI.

Computer Science

- ASTEC funded a research project on the theme *Classification of unconstrained Assamese handwritten character* for a period of 24 months from 2020 at a sanctioned amount of ₹ 350000.0 sanctioned to Sanjib Kumar Kalita as PI.

Electronic and Communication Engineering

- ASTEC funded a research project on the theme *Development of a Cloud-based Deep Learning Real-Time Sign Language Recognition System for Hearing Impaired People* for a period of 24 months from 2020 at a sanctioned amount of ₹ 149000.0 sanctioned to Anjan Kumar Talukdar as PI.

Economics

- Gauhati University funded a research project on the theme *Economic growth and employment in India: A post reform analysis* for a period of 36 months from 2018 at a sanctioned amount of ₹ 100000.0 sanctioned to Anshuman Barua as PI.
- DST funded a research project on the theme *Climate Change and Sustainability of Agricultural Practices and Livelihoods in the Eastern Himalaya: Case Studies in Northeastern Region of India* for a period of 35 months from 2020 at a sanctioned amount of ₹ 21033668.0 sanctioned to Ratul Mahanta as PI.

English Language Teaching

- Sunway University (logistic coordination from CELS Sunway University) funded a research project on the theme *Meritocracy and language status in India and Malaysia: A comparative study* in collaboration with Sunway University, Malaysia & Ambedkar University Delhi as part of the Transnational Research Network, South Asia for a period of 11 months from 2021 sanctioned to Nivedita Malini Barua as Co-PI.
- Sunway University Malaysia funded a research project on the theme *International research project on Meritocracy and language status in India and Malaysia: A comparative study* in collaboration with Sunway University, Malaysia & Ambedkar University Delhi as part of the Transnational Research Network, South Asia for a period of 13 months from 2021 sanctioned to Padmini Bhuyan Boruah as PI.
- Sunway University Malaysia funded a research project on the theme *International research project on English Language Teachers' reflections on negotiating policies, identity and practice* in collaboration with Sunway University, Malaysia, Sanata Dharma University, Yogyakarta, Indonesia, Kathmandu University Nepal, Tribhuvan University Nepal and The English and Foreign Languages University (EFLU), Hyderabad, India as part of the Transnational Research Network, South Asia for a period of 13 months from 2021 sanctioned to Padmini Bhuyan Boruah as PI.
- Self-funded a research project on the theme *International research project on Meritocracy and language status in India and Malaysia: A comparative study* in collaboration with Sunway University for a period of 12 months from 2021 at a sanctioned amount of ₹ 0.0 sanctioned to Khamseng Baruah as Co-PI.
- Self-funded a research project on the theme *International research project on Meritocracy and language status in India and Malaysia: A comparative study* in collaboration with Sunway University, Malaysia & Ambedkar University Delhi as part of the Transnational Research Network, South Asia for a period of 12 months from 2021 at a sanctioned amount of ₹ 0.0 sanctioned to Khamseng Baruah as Co-PI.
- Horny Trust, UK funded a research project on the theme *Women in AINET – Promoting and sustaining a stronger role* for a period of 22 months from 2021 at a sanctioned amount of ₹ 150000.0 sanctioned to Padmini Bhuyan Boruah as Co-PI.

Geography

- DST funded a research project on the theme *Climate change impact assessment of threatened taxa in the Eastern Himalaya: Regeneration and conservation strategies* for a period of 36 months from 2020 at a sanctioned amount of ₹ 13600000.0 sanctioned to Manash Jyoti Nathas Co-PI.

- DST funded research project on the theme *Climate Change and Sustainability of Agricultural Practices and Livelihoods in Eastern Himalayas: Case Studies in Northeastern Region, India* for a period of 3 years at a sanctioned amount of ¹ 2,10,33,668 to Nityananda Deka as Co-PI.

Geological Sciences

- Oil India Ltd. funded a research project on the theme *Study of hydrocarbon potential, depositional environment and geological mapping of the Disang-Barail transitional sequence in Assam, Nagaland and Arunachal Pradesh* for a period of 44 months from 2018 at a sanctioned amount of ¹ 3964092.0 sanctioned to Sarat Phukan as PI.
- BRNS-DAE funded a research project on the theme *Geochemical and petro-mineralogical characterization of Pegmatoid Leucosome Mobilizate (PLM) and pink granite within the Proterozoic migmatitic basement around Wadagiri, Anek, Rongram, Ringi Nala and Dasol Nala areas, Garo Hills, Meghalaya Plateau: implications for genesis of PLM and pink granite vis-à-vis uranium mineralization* for a period of 36 months from 2019 at a sanctioned amount of ¹ 3204100.0 sanctioned to Parag Phukon as Co-PI.
- MoES funded a research project on the theme *Petrology, microstructure, geochemistry, rock strength measurement and crustal stresses within basement granitoids underlying the Deccan Basalt in and around the Koyna-Warna area* for a period of 36 months from 2019 at a sanctioned amount of ¹ 8450240.0 sanctioned to Surajit Misra as PI.
- UGC funded a research project on the theme *Evaluating the potential of deep groundwater as source of arsenic safe water in the upper Brahmaputra valley in Assam* for a period of 25 months from 2020 at a sanctioned amount of ¹ 1000000.0 sanctioned to Runti Choudhury as PI.

History

- North Cachar Hills Autonomous Council funded a research project on the theme *Documentation (Digital) and Survey of Stone Jar Sites (Neolithic) in Dima Hasao District* for a period of 36 months from 2020 at a sanctioned amount of ¹ 3000000.0 sanctioned to Uttam Bathari as PI.

Information Technology

- AICTE funded a research project on the theme *Design and development of a prototype model for smart environment* for a period of 35 months from 2019 at a sanctioned amount of ¹ 535000.0 sanctioned to Vaskar Deka as PI.

Linguistics

- Bodoland Territorial Council funded a research project on the theme *Linguistic Documentation of Bodo Language* for a period of 36 months from 2021 at a sanctioned amount of ¹ 600000.0 sanctioned to Krishna Boro as Co-PI.

Mathematics

- SERB funded a research project on the theme *Novel approximations of rational mappings and their relevance in physical problems* for a period of 36 months from 2021 at a sanctioned amount of ¹ 660000.0 sanctioned to Hemen Dutta as PI.

Physics

- ASTEC funded a research project on the theme *Colour pure near UV light emission enhancements from ZnO based thin film devices* for a period of 43 months from 2018 at a sanctioned amount of ¹ 350000.0 sanctioned to Bimal K Sarma as PI.
- DAE-BRNS funded a research project on the theme *Investigating multi-nucleon transfer & n-p correlation: effects of nuclear deformation/orientation* for a period of 36 months from 2018 at a sanctioned amount of ¹ 2556400.0 sanctioned to Manos Pratim Chakrapani Kalita as Co-PI.
- DST-SERB funded a research project on the theme *Flexible and surface tailored graphene based derivatives as toxic gas/vapour sensor* for a period of 36 months from 2018 at a sanctioned amount of ¹ 4826800.0 sanctioned to Hemen Kumar Kalita as PI.
- SERB funded a research project on the theme *Quantification and Understanding of the Variability of 3D Turbulence using atmospheric radars* for a period of 36 months from 2018 at a sanctioned amount of ¹ 1830000.0 sanctioned to Banty Tiru as PI.

- ASTEC funded a research project on the theme *Surface tailored and flexible graphene derivatives for efficient waste water treatment* for a period of 36 months from 2019 at a sanctioned amount of ₹ 550000.0 sanctioned to Hemen Kumar Kalita as PI.
- ASTEC funded a research project on the theme *Surface tailored and flexible graphene derivatives for efficient waste water treatment* for a period of 36 months from 2019 at a sanctioned amount of ₹ 550000.0 sanctioned to Hemen Kumar Kalita as PI.
- SERB funded a research project on the theme *Bioluminescence emissions from different species of fireflies in different ambient conditions (No. CRG/2018/001430)* for a period of 36 months from 2019 at a sanctioned amount of ₹ 3001358.0 sanctioned to Anurup Gohain Barua as PI.
- SERB-DST funded a research project on the theme *An Investigation of Plasma Sheath through PIC Simulation* for a period of 36 months from 2019 at a sanctioned amount of ₹ 1927082.0 sanctioned to Madhurjya P Bora as PI.
- UGC /IUAC funded a research project on the theme *Studies on fusion inhibition by measurements of complete, incomplete and fission Fragment cross sections* for a period of 36 months from 2021 at a sanctioned amount of ₹ 1011000.0 sanctioned to Kushal Kalita as PI.
- ISRO funded a research project on the theme *Graphene based conductive ink for flexible and wearable printable Electronics* for a period of 30 months from 2022 at a sanctioned amount of ₹ 2568600.0 sanctioned to Hemen Kumar Kalita as PI.
- DST SERB funded a research project on the theme *Development of a fluorescence resonance energy transfer based device for in situ detection of heavy metals in ground water* for a period of 37 months from 2022 at a sanctioned amount of ₹ 2227720.0 sanctioned to Simanta Hazarika as PI.
- DST funded research project on the theme *Quantification and Understanding of the Variability of 3D Turbulence using atmospheric radars* for a period of 36 months from 2018 at a sanctioned amount of Rs 18.3 Lakh sanctioned to Banty Tiru as PI.

Statistics

- Gauhati University funded a research project on the theme *A study on the pattern of Household Consumption Expenditure in India with special reference to Post-Reforms period* for a period of 36 months from 2018 at a sanctioned amount of ₹ 100000.0 sanctioned to Paramita Roy as PI.

Women's Studies

- US Consulate funded a research project on the theme *Report on Situational Analysis On Women in The Urban Economy Of Assam* for a period of 1 months from 2021 at a sanctioned amount of ₹ 30000.0 sanctioned to Polly Vauqueline as PI.

Zoology

- National Missions for Himalayan Studies funded a research project on the theme *Diversity of vertebrate and invertebrate* for a period of 36 months from 2018 at a sanctioned amount of ₹ 12744072.0 sanctioned to Malabika Kakati Saikia as Co-PI.
- National Missions for Himalayan Studies funded a research project on the theme *Diversity of vertebrate and Invertebrate fauna in Himalayan foothills of Assam* for a period of 36 months from 2018 at a sanctioned amount of ₹ 12744072.0 sanctioned to Prasanta Kumar Saikia as PI.
- DBT, twining programme funded a research project on the theme *Quest for cancer drugs: screening and bioassay guided phytochemical investigation of selected endemic plants of Eastern Himalaya* for a period of 36 months from 2018 at a sanctioned amount of ₹ 14900000.0 sanctioned to Jogen Chandra Kalita as Co-PI.
- DBT funded a research project on the theme *Socio Economic upliftment of rural community through integrated farming approach* for a period of 36 months from 2019 at a sanctioned amount of ₹ 777440.0 sanctioned to Dandadhar Sarma as PI.
- DBT funded a research project on the theme *Establishment of Captive Breeding protocols and value additions to selected indigenous ornamental fishes from North East India* for a period of 35 months from 2019 at a sanctioned amount of ₹ 979016.0 sanctioned to Dandadhar Sarma as PI.

- NFDB, Hyderabad funded a research project on the theme *Establishment of Fresh Water Ornamental Fish Brood Bank* for a period of 36 months from 2019 at a sanctioned amount of ₹ 3168000.0 sanctioned to Dandadhar Sarma as PI.
