## ABOUT GAUHATI UNIVERSITY

Gauhati University, a NAAC A-grade institution, was established by an Act of the State of Assam Legislature. The Gauhati University Act, 1947 (Assam Act, XVI of 1947) came into force on 26th January, 1948 just after independence. The common masses of the region wholeheartedly supported, contributed and cooperated in the establishment of the University as an expression of the region's unique historical, intellectual and cultural diversity. It is the oldest and the largest state university in the entire Northeastern part of India. The university served as the academic and cultural role model of the region, based on which other academic institutions in Northeast India started their sojourn. Being the pioneer institute of higher education, it extends support to all subsequent academic institutions in this region. Since inception, Gauhati University has been devising need based, cutting-edge, and timely education for the students in the neighbouring areas and caters to the academic and intellectual needs of a wide spectrum of social and economic strata. Although need and applicability keep changing with changing times, Gauhati University is constantly trying to keep pace with time. Many eminent personalities of the region were alumni of the university. With a sprawling campus spread over an area of 508.8 acres, Gauhati University comprises 45 Departments, 1 constituent Law College, a Centre for Distance and Online Education (GUCDOE) and 10 Centers & Institutes of Studies. The University provides undergraduate, postgraduate and research courses across six faculties namely Arts, Science, Commerce & Management, Law, Technology and Medicine & Allied Health Science. The University consistently ranks as one of the best universities in the region, ranking 88th among all Indian Universities (National Institutional Ranking Framework-2023).

## FOREWORD

Established in the year 1948 under the Gauhati University Act, 1947 passed by the State Legislature of Assam, **Gauhati University (GU)** happens to be the oldest and the largest University in North-East India. It has been consistently ranked among the best Universities in the country by the National Institutional Ranking Framework (NIRF). In the India Rankings, 2023 Gauhati University is ranked 88<sup>th</sup> among the Universities in India. The University has also been accredited as 'A' Grade University by National Assessment and Accreditation Council (NAAC). In the QS Asia University Rankings, 2023, Gauhati University has been ranked #601-650. It has also been ranked in the *Times Higher Education World University Rankings*.

The University comprises 45 Post Graduate Departments, an Institute of Science and Technology, an Institute of Distance and Online Education (GUCDOE) and a constituent Law College apart from some Centres within its campus. The University offers numerous Programmes of Study in the Undergraduate level, an array of Post Graduate Programmes (Masters, M.Phil, PhD), Certificate and Diploma Programmes. It has implemented the Choice Based Credit System (CBCS) at the undergraduate level as well as at the postgraduate level offering flexibility for the students to adapt themselves to a new era of competency. The University has about 300 affiliated colleges, offering Under Graduate and Post Graduate courses under different faculties. The University has at present 400+ educators and around 7000+ students and scholars in the University campus.

Gauhati University successfully implemented educational programmes structured under NEP-2020 from this Academic Session i.e. from 2023. It has been quite a bit of challenge to roll out the NEP-enabled programme, especially with over more than 300 affiliated colleges ranging across the length and breadth of the major part of State of Assam.

Our flagship programme under NEP 2020 is the **Four-Year Undergraduate Programme**, code named GU-FYUGP (or FYUGP), which is the four-year Bachelor's Degree programme with multiple entries and exits. This is being implemented in all **affiliated colleges** under Gauhati University as well as in the **University Campus**. With over more than 40 (forty) diverse subjects under the programme, this has been one of the biggest academic exercises, the University has carried out since the implementation of the semester system in undergraduate level.

In this Annual Report, attempts have been to record information concisely regarding academic and administrative departments of this University and its affiliated colleges. The undersigned on behalf of the Gauhati University takes pleasure to acknowledge the generous assistance and co-operation under the leadership of the Hon'ble Vice Chancellor, Heads of all Offices and Academic Departments of the University, Principals of the affiliated colleges, University officers and employees concerned.

This year, the Annual Report has been published in a more updated format which is the result of the efforts put by the Editorial Board as per advice of the Hon'ble Vice Chancellor, Gauhati University. It is expected that the Report will reflect a comprehensive picture of the University even though there is scope for a better reflection.

With regards

  
(Dr. Hemanta Kumar Nath)  
Registrar, Gauhati University

## Acknowledgement

On behalf of the Editorial Board constituted for the purpose, I would like to place before you the 75th Annual Report of Gauhati University incorporating all the developments and academic achievements of the University for the academic year 2022-2023. The Report is of two parts. Part-I largely depicts the profiles and activities of the Postgraduate Departments along with the activities of the Management, Statutory and Non-Statutory Bodies of the University. This report attempts to highlight the contributions made by almost all the faculty members in research publications, research projects, participation in national /international seminars and workshops, special achievements including awards, honours, patents etc. for which, the information were collected through the AROHAN portal of the University. The report also mentions notable achievements of students in the arena of sports and culture both at the national and state level, whereas, Part-II attempts to portray the spectrum of various academic and co-curricular activities of the colleges affiliated to this University.

I am highly indebted to our honourable Vice-Chancellor Prof. Pratap Jyoti Handique for his kind encouragement and constant support in bringing out this report. I would like to offer my sincere thanks and gratitude to Dr. H. K. Nath, Registrar, Gauhati University for his support and cooperation in every aspect of the work.

I am thankful to the Heads of the Departments, Centre In-charges, Statutory and Non- Statutory Committee Heads and Principals of affiliated Colleges for providing the necessary information of their respective Departments/ Colleges/ Centres for inclusion in this report. I am really indebted to *Debahari Talukdar*, Director, Gauhati University Centre for Distance and Online Education of Gauhati University and Prof. Bibhash Choudhury, Director, GU Press for their cordial help in arranging logistics for the team. I express my sincere thanks to Prof. Bhaben Tanti, Director, IQAC; Prof. Dhrubajyoti Saharia and Prof. Dandadhar Sarma, Joint Directors of IQAC for their cooperation and support in assembling the faculty data from the AROHAN database.

I owe my sincere appreciation to all teaching and non-teaching staff members who have contributed directly or indirectly to the compilation of this 75th Annual Report of Gauhati University. I also would like to offer my sincere thanks to all the staff members of Statistical Unit and Registrar's Office for their help in collecting information from the Heads of the University Departments, faculty members, officers. Special thanks are also due to Sri Jugal Ch. Nath of GU Press and all his colleagues of Gauhati University Press for timely bringing out the Annual Report-2022-23.

Finally, I would like to express my heartfelt gratitude to all the members of the GU Annual Report Editorial Board 2022-23 for their untiring help and co-operation in collating and publishing this Annual Report.

**Community outreach program of the department:**

The department organized a folk festival on November 2, 3, and 4, 2022 that comprised inter-college/university competitions on folk songs, folk dance, and traditional costumes. An essay competition among the UG and PG students was also organized as a part of this celebration.

**Please highlight any specialized laboratory/museum/ garden/center of the Department:**

The Department has a Folklore Museum.

Abantika Parashar, a museum expert, Museum Officer of Jorhat District, delivered an enlightening lecture on "Museum as a Tool of Intangible Heritage Documentation with Special Reference to Folklore" on **June 3, 2022**, in the department, covering

topics from the history of the museum's inception of the museum to the concept of new museology. The interactive presentation, mostly centered around intangible heritage documentation, cited examples from the Kisama Heritage Village in Nagaland that demonstrate the cultural heritage and beliefs of different Naga tribes, the Indira Gandhi Rashtriya Manav Sangrahalaya in Bhopal that displays the heritage of India, and museums from different parts of the world. She explained how the intangible heritage of any community or any period is recorded either in audio or video and is preserved in museums for future use, with an aim to prevent any tradition from getting extinct, shedding light on various technical processes associated with the documentation process.

(A) SAIF

The Sophisticated Analytical Instrument Facility (SAIF) funded by Department of Science and Technology (DST), Govt. of India, was established in the Department of Instrumentation and USIC, Gauhati University in the year 1986. It renders analytical services to the academicians and researchers of various institutions and industries. At present the SAIF, GU, is equipped with

S.No	Instrument	Qty	Remarks
1.	Power X-ray Diffractometer (XRD)	1	In working condition
2.	X-ray Fluorescence Spectrometer (XRF)	1	In working condition
3.	Single Crystal X-ray Diffractometer (SCXRD)	1	In working condition
4.	TGA & DSC	1	In working condition

SAIF, GU, caters the need of scientist, researchers, students and industries of the country in general and north-east region in particular.

During the year 2020-2021, 274 number of samples have been analysed and an amount of Rs. 6,84,734.00/- (six lakh eighty-four thousand seven hundred and thirty four) has been earned by SAIF, GU, and the details are given below

Instrument used	Number of sample	Total Earning in Rupees
XRD Internal Sample	337	6,84,734.00/-
XRD External Sample	356	
XRF Internal Sample	100	
XRF External Sample	73	
SCD Internal Sample	87	
SCD External Sample	49

### K. K. Handiqui Library, Gauhati University

- **Year of establishment: 1948**
- **Librarian: Dr. Prashanta Kumar Deka**

Being an exclusively academic Library, the Krishna Kanta Handiqui Library caters to the needs of the students, teachers, and research scholars from the different levels of the academic disciplines including the Masters, MPhil, PhD and Post-Doctoral as well. It not only helps in supporting the classroom instructional programmes of the University, but also unfolds the horizon of knowledge in regard to the different research programmes carried out by the University. Renamed after its first Vice Chancellor K.K. Handiqui, an Orientalist of world fame, the library possesses personal collection of Handiqui, consisting of 7593 volumes of books generously donated by him to Gauhati University. The collection includes books on 11 (eleven) different languages like English, French, German, Greek, Italian, Latin, Pali, Prakrit, Russian, Sanskrit and Spanish.

Being one of the oldest University Library, KKH Library has a grave collection of books and resources that has enhanced research and scholarly activities throughout the years. Significantly, every year the library indulges in the process of procuring books and materials both online and offline that has made the KKH Library one of the finest academic libraries in the North-east region and in India as well. The library takes immense pride in its assets which consists of books, periodicals, thesis, manuscripts, dissertations etc.

The KKH Library has staff strength of one Librarian, one Deputy Librarian, Four Assistant Librarians, 13 professional staffs & 33 non-professional staffs. It has a reading capacity of 350 and its clientele has increased with 3000 students including Integrated course and 483 Research Scholars as newly enrolled readers for the cited tenure.

**Future Aspects:**

The K.K.H library has built prospects for digitization of books of K.K Handiqui Collection, rare books of reference section and manuscript for online users and has also proposed to promote MOOCs in the Library Campus and implement RFID technology. In connection to the facility provided to the college teachers of affiliated colleges under Gauhati University of membership to the Library, the K.K.H Library is planning to implement life-time membership for retired University teachers, academicians, and researchers. In addition to these, K.K.H Library also hopes to implement prospects for reader advisory in the near future.

## **CENTRAL INSTRUMENTS FACILITY (CIF)**

- **Year of establishment: 2018**
- **Head In-charge: Prof. Dilip Kr. Kakati**

Experimental research in all disciplines of science is dependent on the variety of sophisticated analytical instruments. So, to facilitate the research activities in the University, the need for a Central Instruments Facility, accessible to all Departments of the University, was felt for a long time and it was finally decided to have a Central Instruments Facility for the University.

Following Instruments have been installed:

- A bench top Quadrupole with Time of Flight/ Quadrupole with Time-of-Flight Equivalent technology as High-Resolution Mass Spectrometer (HRMS) system (Make: Waters, USA; Model: Xevo G2-XS QTOF 32k included Lock Spray with combined ESI & APCI source) has been installed in the CIF, Gauhati University.
- A Field Emission Scanning Electron microscope (FESEM) system (Make: Zeiss, Germany; Model: Sigma 300) has been installed in the CIF, Gauhati University.

## SOPHISTICATED ANALYTICAL INSTRUMENT FACILITY (SAIF)

- **Year of establishment: 1986**
- **Coordinator: Prof. Utpal Sarma**

The Sophisticated Analytical Instrument Facility (SAIF) funded by Department of Science and Technology (DST), Govt. of India, was established in the Department of Instrumentation and USIC, Gauhati University in the year 1986. It renders analytical services to the academicians and researchers of various institutions and industries. At present the SAIF, GU, is equipped with:

Sl. No.	Instruments	Qty	Remarks
1.	Power X-ray Diffractometer (XRD)	1	Working
2.	X-ray Fluorescence Spectrometer (XRF)	1	Working
3.	Single Crystal X-ray Diffractometer (SCXRD)	1	Working
4.	TGA	1	Working
5.	DSC	1	Working

SAIF, GU, caters the need of the scientists, researchers, students and industries of the country in general and north-east region in particular.

During the year 2022-2023, 2228 number of samples have been analysed and an amount of Rs. **11,62,227.00/** - **(Eleven lakh sixty-two thousand two hundred and twenty-seven)** has been earned by SAIF, GU, and the details are given in the following table:

### GAUHATI UNIVERSITY INSTITUTE OF DISTANCE AND OPEN LEARNING (GUIDOL)

- **Year of establishment:** May, 1998
- **Director-in-charge:** Prof. Dandadhar Sarma (01/04/2022—21/06/2022)  
Prof. Amit Choudhury (22/06/2022—31/03/2023)

The Gauhati University Institute of Distance and Open Learning (GUIDOL) was established in May 1998. The objective of GUIDOL is to ensure that the larger number of students, who could not pursue their higher studies through conventional mode of education may get one opportunity to pursue quality higher education in distance mode. GUIDOL has completed approximately 25 years of successful existence and aims to continue the mission of providing quality higher education. GUIDOL started with an enrolment of 514 students and 6 courses in May 1998 and later it had witnessed the mark of more than one lakh learners and 28 programmes and the only institute in the country to offer PG courses in five 8th Schedule languages viz. Assamese, Bengali, Sanskrit, Bodo, and English. Equipped with latest technologies, GUIDOL strives to provide an intellectually challenging learning environment.

### STATOSPHERE-TROPOSPHERE (ST) RADAR CENTRE, GAUHATI UNIVERSITY

- **Year of establishment:** 2019
- **Director:** Prof. Utpal Sarma

Atmospheric Radar is an excellent and indispensable experimental tool to measure different physical parameters related to earth's atmosphere, weather patterns, atmospheric winds, waves, turbulence, temperature pressure etc. To study these parameters for exploring the atmospheric dynamics over the North-Eastern region, a state-of-the-art Stratosphere-Troposphere (ST) Radar has been designed and installed at Gauhati University, Guwahati (26.10N, 91.70E, ~ 50 m above MSL) for operating at frequency of 212.5 MHz in collaboration with SAMEER, Mumbai. The project is funded by Ministry of Science and Technology, Government of India and Government of Assam.

The Gauhati University ST Radar is a very advance system with cutting edge indigenous technology in VHF band with open configuration (Antennas, Transmit/Receive Module (T/R) Modules and Cables are placed in the open field) where active phased array concept has been used. It is a coherent pulsed Doppler radar operating in Doppler Beam Swinging (DBS) mode consists of 576 antenna elements arranged in a circle with square grid. Each antenna relates to its own T/R Module to generate high quality wind data (wind speed and its direction) with high spatial and temporal resolution on continuous basis.

**Data Collection:**

The centre is mainly concentrated on research and development activity in the field of atmospheric science. The ST Radar of GU yields very high-resolution spatiotemporal data of three-dimensional wind vectors from 300 m up to 20 km. These data are being captured daily on a routine basis as mentioned below-

- a) Daily observation of atmospheric turbulence for 9/10 hours is recorded.
- b) The data is collected continuously in 24 hours mode for 14 days during monsoon and severe weather conditions.
- c) A few experiments are also conducted to study the boundary layer and turbulence dynamics of the atmosphere where data is acquired in 24 hrs mode.

These retrieved data from the ST Radar system are being analysed to unveil the underlying dynamics of the atmosphere in different conditions.

**System maintenance:**

The ST radar system consist of various sub-system viz. Antenna, Transmit-Receive Modules, Power Divider, Signal processing unit, Power Supply Unit etc. For the smooth functioning of the radar these sub stems must periodically checked and troubleshooted. The troubleshooting and health check-up of the sub-systems are routine work. Further up gradation of sub systems and Signal Processing techniques for improvement of probing height up to stratosphere is also carried out parallelly.

**Students, Faculty, Scientist visit:**

During the year 2022-23 more than 50 students, faculty members and scientists from different colleges, universities, and research institutes of North Eastern region as well as from other part of country has visited the centre to know how the functioning of ST radar system. Our scientists have guided and educated them about the know-how of this technology and its usefulness to explore different atmospheric parameters.

**Seminar, Workshop, Conferences and Training:**

- Cooperative research Meeting with SAMEER, Mumbai: A collaborative meeting with SAMEER, Mumbai was held on 10 Jan 2023 to discuss the present status of the system. During the meeting a collaborative research effort from both side is proposed in details to improvement of the data height up to stratosphere.

## GAUHATI UNIVERSITY INSTITUTE OF SCIENCE & TECHNOLOGY (GUIST)

- **Year of establishment: 2009**
- **Director in-charge: Prof. Tulshi Bezboruah**

### **Programmes offered:**

The Institute has four academic departments namely Applied Sciences, Bioengineering and Technology, Electronics and Communication Engineering. GUIST, GU offers B. Tech. in Biotechnology, B. Tech. in Electronics and Communication Engineering, B. Tech. in Computer Science and Engineering, B. Tech in Information Technology and M. Tech. in VLSI Design and Signal Processing, M. Tech. in Signal Processing and Communication, M. Tech. in Information Technology.

### **Placement record during 2022-2023:**

Students are placed in various MNCs like INFOSYS, TCS, ZALONI, Nationalised Banks, WIPRO, ITC INFOTECH etc.

### **Events organized:**

- Induction programme for the students of 1st semester was conducted where different eminent scholars/ industrialists/educationists are called to deliver lectures and to share their experiences before the students.

## GAUHATI UNIVERSITY INSTITUTE OF NORTH EAST INDIA STUDIES (GUINEIS)

- **Year of establishment: 1st February, 2010**
- **Director-in-charge: Prof. Nandana Dutta**

The Gauhati University Institute of North East India Studies (GUINEIS) was established on 1st February, 2010. Currently it has the following regular activities:

- GUINEIS offers a One-year, 2 semester, PG Diploma course in Creative Writing and Translation every year.
- With the start of the Five-Year Integrated MA Programme at GU, GUINEIS now offers a Minor Course in North East India Studies (3 papers of 4 credits each).
- GUINEIS also publishes an annual interdisciplinary journal which is now into its 10th issue and is listed by UGC CARE.

## **CENTRE FOR PERFORMING ARTS AND CULTURE, G.U.**

- **Year of establishment: 2015**
- **Director (i/c): Prof. Asha Kuthari Chaudhuri**

The Centre for Performing Arts officially came into existence vide the University Notification dated 12th June 2015, which stated that the Executive Council had accorded approval to the setting up of the Centre in its resolution of 14th November, 2014.

The Centre was earlier placed under the School of Fine Arts, under the Department of Folklore. The centre was therefore running its programmes from the precincts of the Department of Folklore. When the said School of Fine Arts was subsumed under the Faculty of Arts, the Centre for Performing Arts and the Centre for Languages and Cultural Studies were merged vide a notification dated July 24, 2020. It was placed under the purview of the Department of MIL & Comparative Literature.

The Languages were bifurcated and remained with the Department of MIL when the current nomenclature of the Centre for Performing Arts and Culture, Gauhati University came into being, and it was allotted its own independent building in a plot opposite to the Department of Mass Communications.

The Centre was conducting Post Graduate Diploma Course in Vocal Indian Classical Music from 2018 to 2020.

### **Faculty Strength and Current Status**

As such, the centre has been running with suitable instructors being contracted as Guest Faculty as per requirement. The Directors (in-charge) have been drawn from the various sister departments.

### **Current Guest Faculty:**

- Dr. Jayashree Chowdhury (Sattriya)
- Ms. Gayatri Sharma (Acting)
- Dr. Farddina Hussain (Film Studies)
- Dr. Bharati Bharali (Film Studies)
- Dr. Meghna Choudhury (Film Studies)
- Dr. Mayuri Sarma (Music)

The Centre has formed a committee of courses with eminent practitioners and academics in the field and prepared and approved the following courses that are now being run by various affiliated colleges of Gauhati University:

1. BVOC Course on Theatre & Stage Craft (21 papers)
2. BVOC Course on Art of Acting (21 papers)
3. BVOC Course on Fashion Technology (21 papers)
4. CORE papers on Film Criticism & Curation (3 papers)
5. CORE papers on Sattriya Traditions of Assam (3 papers)
6. SEC paper on Art of Acting (3 papers)
7. VAC paper on Assamese Modern Song: History, Evolution, Practice (1 paper)

### Current Undergraduate Courses (under FYINP) run by the Centre:

1. Sattriya Traditions of Assam (Core: Minor)
2. Film Criticism & Curation (Core: Minor)
3. Art of Acting I: An Actor Prepares (SEC)
4. Assamese Modern Song: History, Evolution, Practice (VAC)

### Faculty Achievements:

Professor Asha Kuthari Chaudhuri, the incumbent Director (i/c) of the centre has, from within her parent department of English, continuously worked in the areas of theatre, films and the performing arts, both as a scholar and as dramaturge; all her published academic work are located in this domain.

Among her latest publications are:

“Hanging in There: Theatre under the Sal Trees” in *Critical Stages/ Scènes critiques* – (The International Association of Theatre Critics’ Journal). December, 2022. Issue 26. Special Topic: Theatre and Ecology. e-ISSN: 2409-7411. Volume 26, December 2022.

She has two books to her credit: *Mahesh Dattani*, New Delhi: Cambridge University Press (Foundation Books), 2005 and *Ideas of the Stage: Selections from Drama Theory*, Ghy: GUPD, 2010.

A Fulbright Nehru Academic and Professional Excellence Awardee for the year 2015-16, Professor Chaudhuri worked on research cum teaching fellowship at the CUNY Graduate Center, New York City, New York; delivering talks at Columbia University, San Diego University and West Virginia University while on the Fellowship. Professor Chaudhuri was also invited to speak at the World Theatre Congress at Stockholm (2016), Belgrade (2018) and Shanghai (2019).

Professor Chaudhuri has been elected Smuts Visiting Research Fellow at Cambridge University (UK) for the year 2023-24, where she intends to spend four months to complete research for a book project on 200 years of modern Indian theatre.

### Events at CPAC-GU in 2022-2023:

- The Centre partnered with QTP India to screen the Guwahati Teams for THESPO (the Youth Theatre Festival at Prithvi, Mumbai) on 21/10/2022.
- The Centre hosted eminent Dance Scholar and Fulbright Fellow, Dr Arshiya Sethi for a talk on publishing in Performing Arts Journals on 14/11/2022.
- The Centre co-hosted the International Women’s Day Event with the Department of Women’s Studies, GU, screening the Assamese short film *Xoudamini* after lectures by Professor Asha Kuthari Chaudhuri and Dr. Nabamita Deb on 03/03/2023.

## **PRE-EXAMINATION TRAINING CENTRE (PETC)**

- **Year of establishment : 1986**
- **Deputy Director (i/c): Dr. Shubhrajeeet Konwar**

Pre-Examination Training Centre (PETC) of Gauhati University plays an important role in shaping career path of the students. The cell consistently provides continuous learning to enhance professional competencies by inculcating professional values and work ethics along with grooming sessions on personality development and communication skill. Moreover, training is provided to inculcate and enhance the analytical skills which are crucial to make key strategic decisions, to add work life attitude in personality, to convert theoretical knowledge to foster professional values.

Various Industry expert interaction programs are conducted for industry to institute convergence. Group discussion practices, mock interview sessions, resume building workshops are an integral part of the training sessions so that the students' careers can be shaped and enriched in a meaningful way. The PETC regularly conducts training sessions and workshops for competitive examinations.

## **REGIONAL ACADEMIC CENTRE FOR SPACE (ISRO RAC-S)**

- **Regional Coordinator & Honorary Director: Prof Madhurija P. Bora**

ISRO's (Indian Space Research Organisation) Regional Academic Centre for Space (RAC-S) at Gauhati University is set up following the signing of the Memorandum of Understanding (MoU) between ISRO and Gauhati University on 17th July, 2019. The initiation of setting up of this academic centre was an effort by G. U's former Vice Chancellor, Dr Mridul Hazarika in a meeting with Dr K Kasturirangan, former Chairman of ISRO, who visited Gauhati University to deliver the 27th Convocation address. The final MoU was signed on 17th July, 2019 by Dr P.V. Venkatakrishnan (Director, CBPO, ISRO) on behalf of ISRO and Prof. Nani Gopal Mahanta, Registrar (i/c) on behalf of GU, in a ceremony in presence of members of the faculty of G.U, scholars, representatives of nearby Universities and institutes.

### **Mandate of RAC-S:**

The ISRO-GU Regional Academic Centre for Space (RAC-S) at G.U, Guwahati shall pursue advanced research in the areas of relevance to the future technological and programmatic needs of the Indian Space Programme, act as a facilitator for the promotion of space technology activities in the North- Eastern region comprising the states of Arunachal Pradesh, Assam, Manipur, Meghalaya, Mizoram, Nagaland and Tripura and shall devote its resources including human resources to this effect. The activities of RAC-S shall be directed to maximise the use of the research potential, infrastructure, expertise and experience already existent in ISRO and G. U, Guwahati. The GU RAC-S shall also facilitate and engage other institutes of excellence in the region to take part in the capacity building, awareness creation and research and developmental activities related to space technology, space science and space applications.

The RAC-S shall consist of an Honorary Director, Regional Coordinator, faculty members, visiting scientists and experts, research personnel, technical, administrative and support staff. The Centre will be headed by a Regional Coordinator, who will be identified by GU from the existing staff of GU. The Regional Coordinator of the RAC-S shall be responsible for overall management of the RAC-S, including its day-to-day functioning and recommending all expenditures under the approved budget of the RAC-S.

### Activities of GU RAC-S:

- During the first cycle of its functioning (2020-21), GU RAC-S received 12 projects from various institutes of Northeast India. Among these 12 projects, 6 projects were shortlisted and finally three projects were selected for funding from GU RAC-S. Of these three projects, one each in NIT (Manipur), CPP-IPR (Assam) and Gauhati University.
- During the second cycle, no suitable projects could be funded.
- During the third cycle, 11 projects have been shortlisted and are being considered for funding.

**OTHER UNITS**  
**AND ACTIVITIES**

## OTHER UNITS AND ACTIVITIES

### INTERNAL QUALITY ASSURANCE CELL (IQAC), GU

- **Year of establishment: 2002**
- **Director: Prof. Madhurjya P. Bora**

#### Activities during 2022-23:

- 3rd AQAR was submitted for the 4th cycle of NAAC.
- Prepared and submitted the data for NIRF Rankings 2022, where Gauhati University adjudged 88th in the Category- University.
- Submitted data and participated in the QS World University Ranking for the year 2022, where Gauhati University was placed in the bracket #601-650 among universities from Asia and placed in #160 among South Asian universities.
- Ten meetings were held among the members of IQAC to discuss matter related to NAAC AQAR, NAAC Taskforce Committee, IUMS, GU website and QS world University Ranking.
- Applications for 28 different posts across 11 academic departments for posts of Assistant Professors, Associate Professors, and Professors have been evaluated.
- CAS applications of 53 faculties have been scrutinized.

#### **IQAC Initiatives**

IQAC has taken several initiatives during the year 2022-23:

- AROHAN is the Scholastic Data Repository of all faculty members of GU.
- ADR (Academic Data Repository) is the Data Logging Platform for GU's academic departments and student's welfare offices.
- GU-CAS is the GU's Career Advancement Management System, which is completely automated and digitised. It handles all promotions of faculty members as well as the new recruitments.
- CensFEED is the GU's Centralised Student Feedback System through which feedbacks are collected regularly at the end of each semester examination. It is a digital and anonymous feedback collection system for present students as well as GU alumni.
- U-TEC is the Technical Cell for Undergraduate Examination of GU. It is a division of the Student Management System. Under the U-TEC, the IQAC has commissioned a fully automatic Digital Mark Entry system.
- Disable Policy and IT Policy for GU have been prepared and obtained approval from the authority.

**UGC-HUMAN RESOURCE DEVELOPMENT CENTRE (HRDC)**

## GAUHATI UNIVERSITY OFFICE OF INTERNATIONAL RELATIONS WING

### ➤ Co-Ordinator: Prof. Ratul Mahanta

The Gauhati University Office of International Relations Wing (GUOIR) aims to explore academic partnership with universities, industries, and research labs for collaborative academic/research activities along with students exchange programmes. Gauhati University gives high priority to relations with the universities/institutions of the rest of the world. To facilitate the process, in 2016, Gauhati University launched International Chapter of the Alumni Association in London, UK, called the 'European Chapter' for the purpose of academic exchange between Gauhati University and various European universities/institutions. This initiative has subsequently extended to Australia, China, and some South Asian Universities. As a result, several MoUs have been signed between Gauhati University and universities/institutions of these countries to explore the potential for collaborations in research and teaching as well as initiate student exchange programmes between institutions. As a result of it many collaborative programmes have been going on with foreign universities and institutes.

Gauhati University welcomes foreign students from all over the world for admission into its different courses and programs. Till date, foreign students from Japan, Iran, Ethiopia, Tanzania, Egypt, Swaziland, Lesotho, Uganda, Comoros, Bangladesh, and Sri Lanka have been admitted into several programs. Gauhati University has separate international hostel to accommodate the international students.

## **INTELLECTUAL PROPERTY RIGHT (IPR) CELL, GAUHATI UNIVERSITY (GUIPR CELL)**

- **Year of establishment**
- **Coordinator: Prof. Prodeep Phukan**

The Intellectual Property Right Cell of Gauhati University (GUIPR Cell) was established with the help of Assam Science Technology and Environment Council (ASTEC) to promote human resource of Gauhati University by providing assistance in various activities related to Intellectual Property Right management. Prof. Pratap Jyoti Handique, Vice Chancellor, GU is the Chairman and Prof. Prodeep Phukan, Department of Chemistry, GU is the Coordinator of the GUIPR cell. Activities of this cell are supported by ASTEC and the Department of Science and Technology (DST), GOI. The general perception of academic education on IPR is considered to be the peripheral area as earlier to that there was a little to no exposure on this newly emerging topic. But with starting of NEP 2020, there seems to be a paradoxical shift in patterns of education. Institutions has now liability towards creation of empowered citizens and inculcate skills in different ways. The idea of intellectual property as a mainstream area of science and technology came into prominence in the recent times.

## Conference presentation:

### Anthropology

- Immon Ghosh and Gulrukh Begum presented a paper titled “*A review on the origin and prevalence of abnormal hemoglobin in North-East India*” in Development and Change: Role of Anthropology and Allied Disciplines: International Seminar held on 1st November, 2022
- Smita Devi Bora presented a paper titled “*An appraisal of ceramic findings from south-western periphery of Kamrup district, Assam*” in a multidisciplinary international seminar on Development and Changes : Role of Anthropology and Allied Disciplines on 1st November, 2022
- Flora Rabha and Gulrukh Begum presented a paper titled “*Quantitative estimates of dietary intake among the matrilineal Garo women in rural areas of Kamrup district, Assam*” in Development and Change: Role of Anthropology and Allied Disciplines: International Seminar on 1st November, 2022
- Gulrukh Begum- Chairperson presented a paper titled “*Sub-theme: Health and Culture*” in International Seminar on Development and Changes: Role of Anthropology and Allied Disciplines on 1st November, 2022
- Nabajit Kumar Das presented a paper titled “*An assessment of nutritional status among the Bodo children of Kamrup district (Rural), Assam, India*” in International Seminar on Development and Changes: Role of Anthropology and Allied Disciplines on 2nd November, 2022
- Nabajit Kumar Das presented a paper titled “*Knowledge and practices of mothers regarding the prevention and management of malnutrition among the tribal children of Mugakhol village, Kamrup (Rural) district, Assam: A cross-sectional study*” in International Seminar on Development and Changes: Role of Anthropology and Allied Disciplines on 2nd November, 2022

### Applied Sciences

- Dr. Suparna Bhattacharjee presented a paper titled “*Synthesis of YBCO nanoparticles by PVA assisted sol-gel technique and its Structural Characterization*” in National Conference on Physical Science (NCPS)-2022 held on 29th April, 2022
- Sunanda Naik presented a paper titled “*A study of boundedness property of integral type operators on analytic function spaces*” in Congress on Mathematics held on 19th September, 2022
- Pinak P. Basumatary and Debajani Basumatary presented a paper titled “*Idia*” in India’s Northeast Region and the role of Natural Resources, Biodiversity in Sustainable Living and Development: An Overview on 3rd November, 2022
- Dr. Suparna Bhattacharjee presented a paper titled “*A Comparative Study on the Characteristics of ZnS/ZnO and ZnO/ZnS Core/Shell Heterostructures*” in XIII Biennial National Conference of Physics Academy of North East, PANE 2022 held on 8th November, 2022
- Archana Bora presented a paper titled “*Looking for Spectral Evolution of a Borderline Narrow-Line Seyfert 1 Galaxy using XMM-Newton Observation*” in XIII Biennial National Conference of Physics Academy of North East (PANE-2022) on 8th November, 2022
- Dr. Suparna Bhattacharjee presented a paper titled “*YBCO and DBCO Nanoparticles synthesized by Solid-State Synthesis and their Characterization*” in National Conference on Smart Materials for Future Technology, NCSMFT-2022 on 29th November, 2022.

### Assamese

- Pranjal Sharma Bashishtha presented a paper titled “*War and Pandemic in Porter’s ‘Pale Horse, Pale Rider’*” in “Literary Representations in the Times of Pandemic and War” (National e-conference held by Govt. PG College, Naraingarh) on 30th April, 2022
- Pranjal Sharma Bashishtha presented a paper titled “*Epic and Mythological Characters in Assamese Short Stories*” in National Seminar (Offline) on “Epic and Mythology Based Modern Literature” (held by the Sahitya Akademi and KBVSASU, Nalbari) on 17th June, 2022

- Leena Dihingia, Priyankoo Sarmah presented a paper titled “*Assamese Vowels Produced by Students of Assamese Language and Literature*” in North East Indian Languages Symposium (NEILS 12) on 3rd February, 2023
- Leena Dihingia presented a paper titled “*Eastern Assamese Back Vowels: A Case of Merger by Approximation*” in National Conference on Language and Linguistics (NCLL 2023) on 17th March, 2023

### Bioengineering & Technology

- Simanta Kalita, Manash Jyoti Kalita, Gautam Hazarika, Partha Pratim Das, Sangit Dutta, Anjan Jyoti Talukdar, Panchanan Das, Subhash Medhi presented a paper titled “*Presence of HbeAg, HBV DNA in Cord Blood and Down Regulation of TLR9 may Act as Predictive Marker for HBV Mother to Child Transmission*” in ‘International Liver Congress 2022’ on 22nd June, 2022
- S. Akhtar, A. Chakraborty, R. Ahmed, A. Das, K. Begum and S. Banu presented a paper titled “*In-vitro Antioxidant Activity and Oxidative Stress Inhibitory Effect of Crude Extracts of Citrus limon (L.) Osbeck Peel*” in ‘Advances in Entrepreneurial Botany: Entrepreneurship Opportunities From Plant Resources for Sustainable Development’ (ISEB-0I-2022) on 27th October, 2022
- R. Ahmed, S. Dey, R. Ahmed, A. Das, K. Begum and S. Banu presented a paper titled “*Molecular Docking Study of Selected Compounds of Citrus limon (L.) Osbeck Against Prothrombin, Uromodulin and Xanthine Dehydrogenase Proteins*” in ‘Advances in Entrepreneurial Botany: Entrepreneurship Opportunities From Plant Resources for Sustainable Development’ (ISEB-0I-2022) on 29th October, 2022
- K. Begum, A. Das, R. Ahmed, S. Akhtar, S. Banu presented a paper titled “*In Silico Genome-wide Analysis of Respiratory Burst Oxidase Homolog in the Genome of Two Agarwood-Producing Species*” in national-level mentoring symposium ‘Gurukul in Emerging Areas in Modern Science and Medicine’ on 3rd March, 2023
- A. Das, K. Begum, R. Ahmed, S. Akhtar, S. Banu presented a paper titled “*The Cytochrome P450 Superfamily of Aquilaria Agallocha: Genome-Wide Investigation Provides Insights into Biosynthesis of Agarwood Metabolites*” in national-level mentoring symposium ‘Gurukul in Emerging Areas in Modern Science and Medicine’ on 3rd March, 2023
- R. Ahmed, S. Akhtar, A. Das, K. Begum, S. Saikia, S. Banu presented a paper titled “*Analysis of Physicochemical Changes at Different Fruit Developmental Stages in Citrus Limon*” in national-level mentoring symposium ‘Gurukul in Emerging Areas in Modern Science and Medicine’ on 3rd March, 2023

### Biotechnology

- Mohammad Imtiyaz Khan presented a paper titled “*Cloning and Functional Validation of Betalain Biosynthetic Pathway and Investigation of Betalain Biosynthesis-Related Metabolic Trade-Offs*” in SERB funding awareness workshop on 14th July, 2022
- Mohammad Imtiyaz Khan and Monika Kumari presented a paper titled “*Phenylalanine affects Betalain Biosynthesis and Related Metabolites in Amaranthus Tricolor Seedlings*” in APMAS 2023 on 2nd March, 2023

### Bodo

- Faguna Barmahalia presented a paper titled “*Folklore: A Source of the Reconstruction of Bodos*” in ‘First Purno A Sangma Memorial Lecture Cum International Seminar’ on 13th May, 2022

### Botany

- Arun Kumar Dutta presented a paper titled “*Bioprospection of Indigenous Macrofungi: A Promising Hope for the Pharmaceutical Industries*” in ‘International Conference on Development and Utilization of Fungal Resources 2022’ (ICDUFR 2022) on 26th October, 2022

### Business Administration

- SAMIR SARKAR presented a paper titled “*Effect on Extrinsic Cues of Food Packaging on Consumer Buying Decision*” in ‘National Seminar on Dynamics of Emerging Business Environment: Contemporary Issues in Global Context’ on 25th May, 2022

### Chemistry

- Dr. Rupam Jyoti Sarma presented a paper titled “*Tryptophan-Based Receptors for the Binding of Halide Anions*” in ‘Chemical Education in Self Reliance: A Global Perspective’ on 23rd June, 2022
- Dhruba Jyoti Kalita presented a paper titled “*Efficient Designing of Organic/Inorganic Semiconductors via Molecular Engineering: A DFT Study*” in the ‘9th Global Conference on Polymer and Composite Materials’ (PCM 2022) on 16th September, 2022
- Dhruba Jyoti kalita presented a paper titled “*Theoretical Design of Organic/ Inorganic Semiconductors*” in the ‘11th Global Conference on Materials Science and Engineering’ (CMSE 2022) on 16th September, 2022

### Communication & Journalism

- Anupa Lahkar Goswami presented a paper titled “*Climate Change, Health Crises and Communication*” in Manipal International Media Research Conference on 25th May, 2022.
- Bharati Bharali presented a paper titled “*Ethnographic Films and Ethnicity: A Study on India’s North East with Special Reference to Boliya Pitair Soboki Sootal and Resonance of Mother’s Melody*” in ‘Media for an Inclusive and Self-Reliant Nation: The Roadmap for Atmanirbhar Bharat’ on 17th November, 2022
- Anupa Lahkar Goswami presented a paper titled “*Digital Media an Alternative for Health Communicaitaion*” in ‘Media for an Inclusive and Self-Reliant Nation: The Roadmap for Atmanirvar Bharat’ on 17th November, 2022

### ECE

- Apurba Bikash Kalita, Md. Khairul Islam, Subhash Chandra Rajbongshi presented a paper titled “*A Comparative Study on Optimal Design of an OTA using GA, FPA & BA*” in ‘IETE Zonal Seminar on Next Generation Wireless’ on 27th May, 2022.
- Arifa Sultana, Aroop Bordoloi and Kandarpa Kumar Sarma presented a paper titled “*Attention Neural Network based Channel Selection Algorithm for Cognitive Decision Making and Control in Smart Grid*” in 4th International Conference on Sustainable and Innovative Solutions for Current Challenges in Engineering & Technology ICSISCET 2022 on 19th November, 2022.

### ECT

- J. Narzary, H. K. Singh presented a paper titled “*Smart Instrumentation System for Medical Application*” in ‘XIII Biennial National Conference of Physics Academy of North East (PANE-2022)’ on 8th November, 2022.
- N.Hazarika, H.K.Singh, R.K.Roy, T.Bezboruah presented a paper titled “*On the use of Computer Vision to Estimate Chemical Concentration Based on Colorimetric Analysis*” in ‘IEEE NKCon-2022 Flagship International Conference of IEEE North Karnataka’ Subsection in association with IEEE Bangalore Section and IEEE ITS on 20th November, 2022.

### Economics

- Anshuman Barua presented a paper titled “*Reversal of Trend in Female Workforce Participation Rates in Meghalaya: Insights from PLFS 2019-20*” in ‘National Seminar on Changing Characteristics of the Indian Labour Market: Issues and Challenges in the Backdrop of Covid-19’ (through online mode) on 7th July, 2022.
- Bornali Borah presented a paper titled “*The Geography of Gendered Work*” in International Seminar on ‘Essence of Geography: What, Where, Why and How’ on 11th November, 2022.
- Amiya Sarma presented a paper titled “*India’s Competitiveness in the Global ICT Goods Market: An FTA Scenario with the US*” in 23rd Annual Conference of North Eastern Economic Association on 16th November, 2022.
- Bandana Chowdhury presented a paper titled “*Cross Border Trade Between India and Bangladesh: A study of Karimganj District in Assam*” in ‘Connectivity Improvements in Northeast India through the Act East Policy since 2014’ on 25th March, 2023.

### Education

- Polee Saikia presented a paper titled “*Domestic Violence Among Married Women and its Affect on Their Children’s Education*” in National Seminar on ‘Quality Concerns in Higher Education: A View from India’ on 27th August, 2022.
- Sima Kalita presented a paper titled “*Problems and Prospects of Online Class and Open Book Examination (OBE) System From Student’s Perspective*” in ‘National Seminar on Quality Concerns in Higher Education: A View from India’ on 27th August, 2022.
- Moyuri Sarma presented a paper titled “*Implementation of NEP 2020: Challenges and Preparedness of Rural Colleges*” in National Seminar on ‘Quality Concerns in Higher Education: A View from India, 27th&28th August 2022.
- Sima Kalita presented a paper titled “*Knowledge and Awareness of College Teachers on Various Provisions of NEP 2020- With Special Reference to Holistic Education*” in ‘Implementation of NEP 2020 with special reference to North East India : Issues and the Way Forward’ on 20th October, 2022.
- Sima Kalita presented a paper titled “*Higher Education of Women in Char Areas of Assam : Status and Challenges*” in ‘National Seminar on Problems of the People of Char Areas (River-Island) in Assam and its Solution’ on 19th November, 2022.

### English

- Asha Kuthari Chaudhuri presented a paper titled “*Effect of NEP on Youth Empowerment and Sports Development*” in ‘Webinar on Transformation Reforms under National Education Policy, 2020’ Organised by IQAC, Gauhati University on 4th August, 2022.
- Dr. Manashi Bora presented a paper titled “*Women and Community in Isabel Allende’s House of Spirits*” in ‘International Seminar on Multidisciplinary Research Perspectives’ on 16th February, 2023.
- Anjali Daimari presented a paper titled “*Approaches to Study NE Literature*” in ‘National Seminar on Climate, Conflict and Pandemic: Literary Responses from India’s Northeast’ on 31st March, 2023.

### English Language Teaching

- Padmini Bhuyan Boruah presented a paper titled “*History of English Language Education: Contexts and Practices*” in ‘HELE India International Conference: Archiving Texts, Textualising History: Textbooks and Pedagogy of English’ on 5th December, 2022

### Environmental Science

- Sangita Devi presented a paper titled “*Mapping Landuse Landcover (LULC) Changes and NDVI in the Subansiri River Basin of Eastern Himalaya and the Alaknanda River Basin of Western Himalaya using Satellite Remote Sensing Technique*” in 2nd Biotic Science Congress, 2022 and ‘International conference on Recent Advances in Agriculture, Biological and Applied Sciences Research’ on 9th August, 2022.
- Minakshi Bora presented a paper titled “*Phytoplankton Diversity of Polluted River System: A Case Study of Bharalu River, Gunabati, Assam, India*” in ‘International Seminar on Environmental Sustainability and Conservation: Issues and Challenges’ on 4th November, 2022.
- Sangita Devi presented a paper titled “*Socioeconomic Status and Demographic Pattern of the Subansiri River Basin of Eastern Himalayas and the Alaknanda River Basin of Western Himalayas: A Comparative Study*” in ‘International seminar on Environmental Sustainability and Conservation: Issues and Challenges’ organized by IQAC, Bongaigaon College, Bongaigaon on 4th November, 2022.
- Sangita Devi presented a paper titled “*Landuse and Landcover(LULC) Change Detection in Subansiri Basin of Eastern Himalaya using Geoinformatics*” through online seminar on ‘Geoinformatic Applications in Land Water and Infrastructure Development’ conducted by NIRDPR-NERC, Guwahati on 22nd March, 2023.

### Folklore Research

- Monalisha Medhi and Pallabi Borah presented a paper titled “*Traditional Healing Practice during Covid-19*” in ‘Traditional Healing Practice during Covid-19’ on 21stMay, 2022.
- Monalisha Medhi and Pallabi Borah presented a paper titled “*Traditional Healing Practice during Covid-19*” in ‘International Multidisciplinary Conference on Pandemics in Historical and Regional Cosmologies: From the First Documented to COVID-19’ on 21stMay, 2022.
- Pallabi Borah presented a paper titled “*Social Memory and Social History: Revisiting the Kala-Azar Epidemic in Colonial Northeast India*” in International Multidisciplinary Conference “Pandemics in Local and Historical Cosmologies: From the Earliest Documents to COVID-19” on 21stMay, 2022.
- Pallabi Borah presented a paper titled “*Social Memory and Social History: Revisiting the Kala-Azar Epidemic in Colonial Northeast India*” in ‘Pandemics in Historical and Regional Cosmologies: From the First Documented to COVID-19’ 21stMay, 2022.
- Anil Kumar Boro presented a paper titled “*Challenges Before the Tribal Writers*” in ‘Unmesha International Literature Festival, Sahitya Akademi, Ministry of Culture, Govt. of India on 17thJune, 2022.
- Meghna Choudhury presented a paper titled “*Trading Material Culture through Digital Platforms: A Study of the Young Entrepreneurs of Assam*” in Two-Day National Conference on ‘Youth in Contemporary India’ organized by the Centre for North East Studies and Policy Research, Jamia Millia Islamia, New Delhi on 8thSeptember, 2022.
- Anil Kumar Boropresented a paper titled “*Bodo Folklore*” in “Two Day National Seminar on Folklore and Literature’ on 12thNovember, 2022.
- Pallabi Borah presented a paper titled “*Folklore and Gender: The Chord of Discontent in Assamese Folk Narratives*” in ‘International E-conference on Gender, Culture and Society on 27thNovember, 2022.
- Meghna Choudhury presented a paper titled “*Conserving Nature Through Folklore: The Hargila Story*” in ‘Two-Day International Seminar on Climate Change: Impact and Resilience’ on 27thFebruary, 2023.
- Meghna Choudhury presented a paper titled “*People, Protests and Peace Building: Folk Songs as Instruments of Social Change*” in ‘Bodoland International Knowledge Festival, 2023, India on 1stMarch, 2023.

### Foreign Languages

- Rounak Mahtab presented a paper titled “*The Intercultural Approach to Foreign Language Teaching: Looking Beyond*” in ‘Vistas to the New Worlds: Foreign Languages as Window to Literatures, Cultures and Translations’ on 25thNovember, 2022.

### Geography

- Dhanjit Deka presented a paper titled “*Urban Planning in Context of Tourism Development: A Case Study of Guwahati City*” in ‘1st Trilateral International Symposium on SDGs 2021’ at Kagawa University, Japan on 2ndSeptember, 2022.
- Suli Yohana Ayemi and Bimal K. Kar presented a paper titled “*Understanding Healthcare Seeking Behaviour in a Plural Healthcare System in Nagaland (India)*” in ‘43rd IIG Meet and International Conference on Challenges of Future Earth on 1stDecember, 2022.

### History

- Paromita Das presented a paper titled “*Iconography of Select Images in the Assam State Museum*” in ‘29th session of the Indian Art History Congress on Indian Iconography with Special Emphasis on Regional Developments’ on 5thApril, 2022.
- Rena Laisram presented a paper titled “*Rethinking Meitei Identity in Asian Frontiers*” in ‘International Conference on Geography Shaping History: A Journey Through Ages’ on 24thJune, 2022.

### Instrumentation & USIC

- Nairit Barkataki presented a paper titled “*Automatic Material Classification of Targets from GPR Data using Artificial Neural Networks*” in 2022 ‘IEEE Silchar Subsection Conference (SILCON)’ on 6th November, 2022.

### Law

- Karavi Barman presented a paper titled “*Intellectual Property Rights and Protection of Women in Innovation and Creativity in India*” in ‘Emerging Trends of Intellectual Property and Innovations in the Corporate Sector in the Contemporary World’ on 24th April, 2022.
- Aparajita Baruah presented a paper titled “*Keynote Speech on Peace Building and Reconciliation: Usbering in an Era of No War*” in ‘G20 Y20 Seminar’ on 28th January, 2023.
- Aparajita Baruah presented a paper titled “*Keynote Speech on Employment Enhancement Technique*” in Employment Enhancement Technique on 25th February, 2023.
- Priyanka Majumdar presented a paper titled “*Role of Artificial Intelligence in Achieving Environmental Sustainability: Prospects and Challenges*” in Two-Day International Seminar on ‘Climate Change: Impact and Resilience’ organized by the Department of Zoology, Assam Don Bosco University, Assam in collaboration with Zoological Society of Assam and sponsored by ICSSR- NER, ASTEC, Oil India Limited & others on 27th February, 2023.
- Aparajita Baruah presented a paper titled “*Sustainable Development Goals and CSR- An Overview*” in ‘Responsibilities of Industrial Corporations in Achieving Sustainable Development in the Present Ecologically Critical Period’ on 17th March, 2023.

### Library & Information Science

- Niraj Barua presented a paper titled “*Deployment Strategy of an Institutional Repository in Open-Source Software (OSS) Platform in a College Library*” in 2nd Edition of the ‘International Conference on Knowledge Management in Higher Education Institutions (ICKHI 2022)’ on 12th April, 2022
- Niraj Barua and Bhagyashree Phukan presented a paper titled “*Library Use, Information Sources and Information-seeking Behavior Among Extension Specialists of Krishi Vigyan Kendra’s (KVK’s) Covering Five Districts of Assam (India): A Study*” in ‘International Conference of Agricultural Librarian’s and User Community (ICALUC-2022)’ on 28th April, 2022

### Linguistics

- Krishna Boro presented a paper titled “*Prominence and Differential Object Marking in Bodo*” in ‘2nd International Conference of Tibeto-Burman Linguistics Association of North East India (ICTiBLANEI-2)’ on 9th April, 2022.
- Krishna Boro presented a paper titled “*Differential S and O Marking in Bodo*” in 12th International Conference of the North East Indian Linguistics Society on 5th February, 2023.

### MIL & LS

- Dhurjjati Sarma presented a paper titled “*Localising the Saiva Cult in Assamese: Rudra Singha’s Siva Purana*” in ‘National Conference on Shaivism’ on 29th April, 2022.
- Dhurjjati Sarma presented a paper titled “*Post-Independence Assamese Novel*” in International Webinar on ‘Post-Independence Bharat and North-East India’ on 19th May, 2022.
- Dhurjjati Sarma presented a paper titled “*Historicising Subalternity: The Assamese Literary Scenario from the 1980s*” in National Symposium on the ‘Discourse of Subaltern History in Assamese Creative Literature with Special Reference to the Post 1980s’ on 3rd June, 2022.
- Dhurjjati Sarma presented a paper titled “*From Invasion to Exodus: Exploring the Burmese Connection in Assamese Literature (With Reference to Manomati and Jangam)*” in National Seminar on ‘Identity Assertions and the Context of Conflicts in Southeast Asia’ on 13th June, 2022

- Dhurjjati Sarma presented a paper titled *“Embodying Transformation and a New Confluence of Styles: The Composition of Hastividyarnava (1734) in the Ahom Court of Assam”* in International Webinar on ‘Transmission, Alteration, and Voices: Texts and Performative Traditions in South Asia in the Early Modern and Colonial Periods’, organized by NCN Cultures of Patronage Project, Jagiellonian University on 28th October, 2022
- Dhurjjati Sarma presented a paper titled *“Exploring the Confluence of Art and Activism in the Select Writings of Jyotiprasad Agarwala”* in International Seminar on ‘Angarey and the Progressive Writers Movement’ organized by the Avadh Girls’ Degree College, Lucknow, in association with IACLALS on 16th December, 2022
- Dhurjjati Sarma presented a paper titled *“The Mizo Famine of 1959–60 and the Assamese Response”* in Royal Society of Edinburgh-sponsored International Conference on ‘The British Empire and Colonial Famines: History, Culture, Critique,’ organized by the Indian Institute of Information Technology, Guwahati on 7th January, 2023
- Dhurjjati Sarma presented a paper titled *“Retelling the Rama Story in Assamese: Madhav Kandali’s Satkanda Ramayana”* in International Conference on ‘Reflections on the Ramayana’, organized by the K.J. Somaiya Institute of Dharma Studies, Mumbai, in association with Central Sanskrit University, New Delhi and Ayodhya Research Institute, Lucknow on 2nd February, 2023
- Khagen Sarma presented a paper titled *“Lexicography and Nepali Language”* in ‘International Workshop on Preparation of Institutional Nepali Dictionary & Toponymy from India’, Siliguri on 5th March, 2023
- Khagen Sarma presented a paper titled *“Begani matribhumi (Hindi)”* in ‘Annual Festival of Letter 2023’ on 16th March, 2023
- Khagen Sarma presented a paper titled *“Value Education for Multi-Lingual Dictionary (Nepali)”* in ‘Workshop on Value Education Programme of SCERT, Assam’ on 20th March, 2023
- Dhurjjati Sarma presented a paper titled *“Reconceptualising the Literary Cultures of North-East India: A Few Perspectives from Comparative Literary Historiography”* in National Seminar on ‘Climate, Conflict and Pandemic: Literary Responses from India’s Northeast’, organized by the Department of English, Bodoland University, Kokrajhar on 30th March, 2023.

### Mathematics

- S. Acharjee presented a paper titled *“Full Spinal Cord Regeneration, Entropy and SCLCB”* in ‘International Virtual Conference on Recent Trends in Applied Mathematics’ on 7th October, 2022.
- Jituparna Goswami presented a paper titled *“Participation Only”* in ‘International Conference on Nonlinear Analysis and Applications (ICNAA - 2022)’ on 22nd November, 2022.
- Debasish Bhattacharjee presented a paper titled *“Prey and Stage Structured Predator Model with Juvenile Hunting”* in NABSET-2023 on 24th February, 2023.
- S. Acharjee presented a paper titled *“Upper Bounds of Worldwide Infected Cases Due to COVID-19 from the perspective of Bitopology”* in ‘International Conference on Data Science and Communication – 2023’ on 23rd March, 2023.
- Debasish Bhattacharjee presented a paper titled *“Symbiosis of Predator-Prey: Harvest of Predators Concomitant to Negative Repercussions of Immatures Predation in ICTDSC 2023”* on 23rd March, 2023.

- Malabika Kakati Saikia of the Department of Zoology attended the 12-week course on NPTEL from July to October 2022 on October 2022.
- Malabika Kakati Saikia of the Department of Zoology attended the 1 Week Short-term Course on “Applications of Statistical Methodology in Allied Domains” Sponsored by RUSA 2.0 from 1st March to 10th March 2023 conducted by UGC-HRDC, Gauhati University on March 2023.

## Research Projects:

### Applied Sciences

- AICTE funded research project on the theme *Water Plant Installation* for a period of **24** months from **2022** onwards at a sanctioned amount of ₹ 1372000 (rupees thirteen lakhs seventy two thousand) sanctioned to EeshankurSaikia (Department of Applied Sciences) as PI.
- AICTE funded research project on the theme *Installation of Solar Plant* for a period of **6** months during **2022** at a sanctioned amount of ₹ 2000000 (rupees twenty lakhs) sanctioned to EeshankurSaikia (Department of Applied Sciences) as PI.
- AICTE funded a research project on the theme *Internet Connectivity* for a period of **1** months during **2022** at a sanctioned amount of ₹ 490000 (rupees four lakhs ninety thousand) sanctioned to EeshankurSaikia (Department of Applied Sciences) as PI.

### Arabic

- Gauhati University funded research project on the theme *Reception of Rabindranath Tagore in The Arab World* for a period of **54** months from 2018 at a sanctioned amount of ₹ 150000 (rupees one lakh fifty thousand) sanctioned to Mizazur Rahman Talukdar (Department of Arabic) as PI.

### Bioengineering & Technology

- ICMR funded research project on the theme *A Systematic Assessment of Acute Viral Hepatitis and Chronic Liver Disease in Northeast India with Special Reference to Strengthening of Laboratories in the Region* for a period of **12** months (2021-2022) at a sanctioned amount of ₹ 1232498 (rupees twelve lakhs thirty two thousand four hundred and ninety eight) sanctioned to Subhash Medhi (Department of Bioengineering & Technology) as PI.
- AICTE funded research project on the theme *Integrative Approach of Enhanced Versatility of Xylooligosaccharides Nanoformulations and Its Antiproliferative Function Towards Colorectal Adenocarcinoma Inhibition* for a period of **36** months from 2022 at a sanctioned amount of ₹ 2427000 (twenty four lakhs twenty seven thousand) sanctioned to DebabratBaishya (Department of Bioengineering & Technology) as PI.

### Botany

- Department of Science & Technology funded research project on the theme *Molecular Systematics of Wild Edible Macrofungi of Eastern India and Exploration of Their Nutritional Prospects as Nutraceuticals* for a period of **60** months from 2018 at a sanctioned amount of ₹ 3500000 (thirty five lakhs) sanctioned to Arun Kumar Dutta (Department of Botany) as PI.
- Department of Science & Technology funded research project on the theme *Molecular Systematics of Wild Edible Macrofungi of Eastern India and Exploration of Their Nutritional Prospects as Nutraceuticals* for a period of **48** months from 2018 at a sanctioned amount of ₹ 3500000 (thirty five lakhs) sanctioned to Arun Kumar Dutta (Department of Botany) as PI.

### Chemistry

- UGC funded a research project on the theme *Designing Smart Nanomaterials Based Microfluidic Device for The Detection and Removal of Environmental Pollutants* for a period of **36** months (2021-2022) at a sanctioned amount of ₹ 1000000 (rupees ten lakhs) sanctioned to Arabinda Baruah (Department of Chemistry) as PI.
- UGC funded research project on the theme *Nonequilibrium Quantum Thermodynamics of Driven Single Molecule Junctions* for a period of **24** months from 2021 at a sanctioned amount of ₹ 1000000 (rupees ten lakhs) sanctioned to Himangshu Prabal Goswami (Department of Chemistry) as PI.
- SERB funded research project on the theme *Mechanochemical Synthesis of Pharmaceutical Solid Forms to Avoid Degradation of Moisture Sensitive Active Pharmaceutical Ingredients Using Combined Crystal Engineering and Computational Approaches* for a period of **36** months from 2021 at a sanctioned amount of ₹ 1830000 (rupees eighteen lakhs thirty thousand) sanctioned to Ranjit Thakuria (Department of Chemistry) as PI.
- Science and Engineering Research Board (SERB) funded research project on the theme *Synthetic Strategies Based on Carbodiimide Coupling for Biologically Significant Heterocyclic Scaffolds* for a period of **24** months from 2021 at a sanctioned

amount of ₹ 5320000 (rupees fifty three lakhs twenty thousand) sanctioned to ProdeepPhukan (Department of Chemistry) as PI.

- SERB funded research project on the theme *Optimization of Quantum Heat Engine Prototypes for Experimental Prognosis using Artificial Neural Networks* for a period of **24** months (2021-2022) at a sanctioned amount of ₹ 2453039.95 (rupees rupeestwenty four lakhs fifty three thousand and forty) sanctioned to Himangshu Prabal Goswami (Department of Chemistry) as PI.
- UGC-DAE funded research project on the theme *Perovskite-Carbon Dot Composite for Long Afterglow Luminescent Materials* for a period of **36** months from 2022 at a sanctioned amount of ₹ 243240 (rupees two lakhs forty three thousand two hundred and forty) sanctioned to Sonit Kumar Gogoi (Department of Chemistry) as PI.
- UGC-DAE funded research project on the theme *Design of Hybrid Materials of Carbon Sphere with Vanadium and Manganese Oxides for Cathode Fabrication in Aqueous Zinc Ion Batteries* for a period of **36** months from 2022 at a sanctioned amount of ₹ 729720 (rupees seven lakhs twenty nine thousand seven hundred and twenty) sanctioned to Debajyoti Mahanta (Department of Chemistry) as PI.

### ECE

- ASTEC funded research project on the theme *Forest Rescue System* for a period of **12** months from 2022 at a sanctioned amount of ₹ 10000 (rupees one lakh) sanctioned to Kandarpa Kumar Sarma (Department of ECE) as PI.
- ASTEC funded a research project on the theme *Design of Real-Time Boat Load Monitoring and Safety System* for a period of **24** months from 2022 at a sanctioned amount of ₹ 350000 (rupees three lakhs fifty thousand) sanctioned to Kandarpa Kumar Sarma (Department of ECE) as PI.
- ASTEC funded research project on the theme *Development of a Deep Learning Based Real Time Assamese Scene Translation System* for a period of **24** months from 2022 at a sanctioned amount of ₹ 450000 (rupees four lakhs fifty thousand) sanctioned to Kandarpa Kumar Sarma (Department of ECE) as Co-PI.
- ASTEC funded research project on the theme *Machine Learning and IoT Based Advanced Farming Management System* for a period of **12** months (2022-2023) at a sanctioned amount of ₹ 10000 (rupees one lakh) sanctioned to Kandarpa Kumar Sarma (Department of ECE) as PI.
- ASTEC funded a research project on the theme *Few Shot Continual Learning in Low Labelled Data Scenario* for a period of **12** months (2022-2023) at a sanctioned amount of ₹ 10000 (rupees one lakh) sanctioned to Kandarpa Kumar Sarma (Department of ECE) as PI.

### Economics

- DST, Govt. of India funded research project on the theme *Climate Change and Sustainability of Agricultural Practices and Livelihoods in The Eastern Himalaya: Case Studies in Northeastern Region of India* for a period of **11** months in 2022 at a sanctioned amount of ₹ 21033668 (rupees two crore ten lakhs thirty three thousand six hundred sixty eight) sanctioned to Ratul Mahanta (Department of Economics) as PI.

### English Language Teaching

- Horny Trust, UK funded research project on the theme *Women in Ainet – Promoting and Sustaining a Stronger Role* for a period of **22** months (2021-2022) at a sanctioned amount of ₹ 150000 (rupees one lakh fifty thousand) sanctioned to Padmini Bhuyan Boruah (Department of English Language Teaching) as Co-PI.

### Geological Sciences

- BRNS-DAE funded research project on the theme *Geochemical and Petro-Mineralogical Characterization of Pegmatoid Leucosome Mobilizate (Plm) and Pink Granite within The Proterozoic Migmatitic Basement around Wadagiri, Anek, Rongram, Ringi Nala and Dasol Nala Areas, Garo Hills, Meghalaya Plateau: Implications For Genesis of Plm and Pink Granite Vis-À-Vis Uranium Mineralization* for a period of **36** months (2019-2022) at a sanctioned amount of ₹ 3204100 (rupees thirty two lakhs four thousand and one hundred) sanctioned to Parag Phukon (Department of Geological Sciences) as Co-PI.

### Information Technology

- MeitY, Govt. of India funded research project on the theme *Bidirectional Machine Translation: English-Assamese, Bodo* for a period of **36** months from 2022 onwards at a sanctioned amount of ₹ 64700000 (rupees six crore forty seven lakhs) sanctioned to Shikhar Kumar Sarma (Department of Information Technology) as PI.

- Ministry of Electronics and Information Technology (MeitY), Govt. of India funded research project on the theme *ISHAAN: A System for Bidirectional Machine Translation Between 1) English and Assamese, Bodo, Manipuri, Nepali 2) Manipuri and Hindi 3) Assamese and Bodo* for a period of **36** months from 2022 onwards at a sanctioned amount of ₹ 64200000 (rupees six crore forty two lakhs) sanctioned to Kishore Kashyap (Department of Information Technology) as Co-PI.
- RUSA, Assam funded a research project on the theme *Development of Assamese Unicode Font-Bahi* for a period of **12** months from 2022 onwards at a sanctioned amount of ₹ 562000 (rupees five lakhs sixty two thousand) sanctioned to Shikhar Kumar Sarma (Department of Information Technology) as PI.

#### Linguistics

- Bodoland Territorial Council funded research project on the theme *Linguistic Documentation of Bodo Language* for a period of **36** months from 2021 at a sanctioned amount of ₹ 600000 (rupees six lakhs) sanctioned to Krishna Boro (Department of Linguistics) as Co-PI.

#### Mathematics

- Science and Engineering Research Board funded research project on the theme *Novel Approximations of Rational Mappings and Their Relevance in Physical Problems* for a period of **36** months since 2021 at a sanctioned amount of ₹ 660000 (rupees six lakhs sixty thousand) sanctioned to Hemen Dutta (Department of Mathematics) as PI.

#### Philosophy

- ICPR, New Delhi funded research project on the theme *Philosophy and Education: An Interdisciplinary Approach in Higher Education* for a period of **48** months from 2022 at a sanctioned amount of ₹ 300000 (rupees three lakhs) sanctioned to Padmadhar Choudhury (Department of Philosophy) as Co-PI.

#### Physics

- ASTEC funded research project on the theme *Surface Tailored and Flexible Graphene Derivatives for Efficient Waste Water Treatment* for a period of **36** months (2019-2022) at a sanctioned amount of ₹ 550000 (rupees five lakhs fifty thousand) sanctioned to Hemen Kumar Kalita (Department of Physics) as PI.
- ISRO funded research project on the theme *Graphene Based Conductive Ink for Flexible and Wearable Printable Electronics* for a period of **30** months from 2022 at a sanctioned amount of ₹ 2568600 (rupees twenty five lakhs sixty eight thousand six hundred) sanctioned to Hemen Kumar Kalita (Department of Physics) as PI.
- DST SERB funded research project on the theme *Development of A Fluorescence Resonance Energy Transfer Based Device for In Situ Detection of Heavy Metals in Ground Water* for a period of **37** months from 2022 at a sanctioned amount of ₹ 2227720 (twenty two lakhs twenty seven thousand seven hundred twenty) sanctioned to Simanta Hazarika (Department of Physics) as PI.

#### Sanskrit

- Central Sanskrit University, New Delhi funded research project on the theme *Sanskrit Translation of Srimanta Sankaradeva's Ankiya-Natas: A Cognisant Heritage of North-East India* for a period of **36** months from 2022 onwards at a sanctioned amount of ₹ 500000 (rupees five lakhs) to Jagadish Sarma (Department of Sanskrit) as PI.

#### Zoology

- ICAR-National Bureau of Fish Genetic Resources, Lucknow funded research project on the theme *Exploration and Evaluation of Ichthyofaunal Diversity and Assemblage, and Habitat Ecology of Umiam River, Northeast India* for a period of **29** months from 2020 at a sanctioned amount of ₹ 500000 (rupees five lakhs) sanctioned to Hrishikesh Choudhury (Department of Zoology) as PI.
- DBT funded research project on the theme *Establishment of Rural Bio-Resource Complex Through Integrated Aquaculture Practices at Goalpara, the Aspirational District of Assam* for a period of **24** months from 2022 at a sanctioned amount of ₹ 4865250 (rupees forty eight lakhs sixty five thousand two hundred and fifty) sanctioned to Dandadhar Sarma (Department of Zoology) as PI.
